PRESIDENTS REPORT

The season of 2004 on the whole has been a very successful one for the Maddies Netball Club. We fielded 11 teams in the competition; all of our teams have performed well with every Intermediate, Cadet and Senior team making the finals. Five teams were in grand finals from which we won two premierships with the largest loosing margin being only 2 goals. The two Junior teams also acquitted themselves very well with our Grade 5's coming Runner's up in their competition and the Grade 6's also finishing Runner's Up which augers well for the future of the Club. I would like to congratulate all of the players on a great season and commitment to their team mates and the Club especially in the first half of the season.

The success of the club every year depends on those volunteers who willingly give up their time to ensure that our girls have not only have access to good netball but also have great fun. The year began with the election of Denise Brown as our President supported by several new faces on the committee. Unfortunately early in the season Denise was overcome with an illness that prevented her continuing in the role, as a result I was elected as President at an Extra-ordinary General Meeting. I am happy to report that after a long struggle Denise is recovering well and she has made the odd appearance down at netball to see some of her old friends. We hope that Denise continues in good health and we may see her and her family around the Club again next season.

Becoming President of the Maddies Netball Club has been a real eye opener for me. To experience the friendship of the players and the parents across the club has been a highlight of my year. To see and assist in the development of our young players and to be part of the success of the club makes the job very rewarding. The real experience though is to work with and get to know all the volunteers in the club. Maddies is very fortunate to have so many wonderful people who give up their time to ensure that our season is happy and successful.

I would like to firstly congratulate the committee for their hard work and dedication to the players and the club. Several new faces appeared at the first meeting of the year and displayed an enthusiasm that only new members to a volunteer organisation could. Throughout the year each member contributed many hours and some late nights in fundraising, organising events, writing newsletters, creating financial statements, organising and running MVP awards, making uniforms and equipment available and generally ensuring that coaches and players had what they needed to effectively participate at training and in the competition. I can say that even at our last meeting the same enthusiasm was still apparent when organising the myriad of things for the presentation day. To you all it has been a great experience working with you and thankyou on behalf of the club and its members for your efforts for the year. I hope for Maddies sake that you all continue in your roles with the club into the future.

Next I would like to thank the coaches. At the start of the year we had to canvas for coaches and several new people put up their hands to help out.

This year saw Greg Pearson coaching back at the club, combining with Erica to coach our Maddies Seniors. We had a mother and daughter duo in Helen Cain and Bridget Harris volunteering and combining to make their Inters team almost unbeatable throughout the year. Jennie Bateman came back from an oversees trip to take over a team from Kirsten Duffy who went overseas, Nick Robinson took on a Cadets team and helped them to the

PRESIDENTS REPORT

finals while youngsters Jess Brophy, Alyssa Audsley, Ashlee Tronerud, Ellie Scanlon, Ellie Leiper and Chantelle Driscoll all successfully coached promising young Maddies teams. Two notably successful new coaches to the club this year getting their teams to grand finals were Kim Crimmins coaching our Inters 1 team and Natasha Ryan who was playing coach of our Senior 2 team. As usual Sean volunteered his skills as a coach for one of our Senior teams and umpired throughout the year as well, while Sarah Driver continued her commitment to the club by coaching one of the cadet teams to the finals.

I would like to thank you all for your efforts and commitment during the year, yours is the toughest job in the club and while some struggled with training attendances and other issues all stayed committed for the season and ensured their teams success. I sincerely hope that you all remain with the club next season and continue in the development of our club and players.

Being President this year has provided an opportunity that I might not have fully realised under normal circumstances. Not only have I worked with many wonderful personalities but I have taken great joy in watching our teams and players develop and play over the year. The beginning of the year saw some heartache during selections with the application of certain policies of the Committee but Maddies is very lucky to have such a strong group of girls, and any issues were worked through and put behind us.

I would like to congratulate all of our players for the seasons that they have had, and the entertainment and joy that you have provided to all of us, your friends and parents over the year. Several new players joined us, two groups of three sisters were new to the club this year along with several other new players, all have been most welcome and have combined with existing members to contribute to the successful season that we just completed. I would like to thank you and the parents in getting behind our drive to finalise payment of registrations early in the season thus making it possible for the committee to do their job effectively for you and the club across the whole year. I look forward to seeing you all next year, re-registration forms have been distributed and I urge you to get them in early.

I would like to also thank all of the other volunteers that willingly gave of their time during the year, the team managers, those parents that participated in the scoring duties, all of our dedicated umpires and anyone who assisted in some small way to ensure that Maddies players and members enjoyed their netball. Also a special mention to that great team of people led by Peter Lauchland who run the BBQ and Josie who runs the canteen each Saturday. I know these guys do this for all of the TNA clubs but on behalf of Maddies, thanks for being there every week in all weather to make sure our girls and parents are provided with hot food and drinks and plenty of good humour to brighten our day.

Next I would like to congratulate our new life members, Helen Cain and Séan Roche. We don't get to be a life member of any organisation without many hours of commitment and dedication; Helen and Sean have both been great contributors to the club over many years and continue to do so. On behalf of all the members of the Maddies Netball Club thank you both for all of your hard work for the Club over the years and we hope that you can continue long into the future.

PRESIDENTS REPORT

Lastly I would like to thank our sponsors, Maddies has been very lucky with sponsors volunteering contributions this year to assist in the administration of our club and players. Without your continued assistance it would be impossible to provide the level of support that Maddies players and officials enjoy during the year and at presentations.

Canon Australia Pty Ltd has been a major sponsor this year in providing our year book, Patrick Ephraums of Guardian Financial Services volunteered sausage sizzles at training during the year, Wayne Crimmins of Valley Homes and Gardens and John Scanlon Carpentry have provided our trophies this year and the Vikings Rugby Union Club has contributed greatly to the cost of our Presentation Day this year. A special thanks to you all and I urge all of our members to get behind our sponsors and support them as well.

As President of Maddies I have enjoyed your support and friendship this season and I look forward to seeing you all back again for season 2005.

Dave Tronerud
President – Maddies Netball Club

Pete's Palace

UMPIRES SCENE

This has been a great year for Maddies Umpires. We have had a panel of umpires second to none in the competition, each of our 11 teams has had a dedicated umpire every week for the year and Maddies Umpires have also supported other teams throughout the year such as the Valley Masters, the Valley Tornadoes and the ACT Schoolgirls PSSA team. This has been a huge commitment and a huge continued effort throughout the year.

I would like to thank Neil Mulherin and Jenny Goodwin for their support of the Junior teams. Both are new to umpiring at Maddies and both have completed their level 1 training, sat their theory exam and have been awarded Level 3 TNA umpiring badges, a big effort in your first year. Congratulations on your commitment and we look forward to bigger and better things from you both next year.

Our Inters, Cadet and Senior teams were extremely well supported by a great panel of umpires consisting of Natalie Foley, Lynley Parker, Kaylee Bryant, Melinda Ashworth, Anne McCauley, Séan Roche and Dave Tronerud. All of these people participated in a roster that saw some umpiring up to four games each week.

On top of this Séan Roche was the TNA Junior Umpires Coordinator, a role combined with umpiring and coaching during the day that saw him at the courts very early each Saturday and home very late in the evening. All of this is above and beyond the call Séan and we thank you sincerely for your continued support.

One of the pleasures that I have received this year as the Maddies Umpires Coordinator is to walk round each week and see several of our up and coming young star players giving back something to the younger players in the TNA competition. Players such as Sarah Murphy, Jessica Crimmins, Jess Brophy, Chantelle Driscoll, and Cynthia Rakic umpire for school teams and do Maddies proud each week as wonderful ambassadors for our club.

I would also like to make a special thankyou to Viv Pollock and Kylie McClung from the Dolphins Netball Club, on several occasions this year because of conflicting game times etc. Viv and Kylie have volunteered to assist Maddies with their umpiring duties, while being players and umpiring for their own club, thanks ladies, your support has been greatly appreciated.

Finally, providing umpires for each game this year has only been possible because of the willingness of you all to get involved and by your dedication to the sport, on behalf of Maddies Netball Club thankyou very much, we are indebted to you for your support and hope that it prevails for seasons to come.

Dave Tronerud
Maddies Umpires Coordinator

LIFE MEMBERS

In 2004 we are awarding Life Membership of *maddies* to:

Séan Roche

Helen Cain

Séan and Helen join the following people who have been awarded life membership in previous years:

Erica Lauchland

Shannon Williams

Kirsten Duffy

Carla Howman

FIVE YEAR MEMBERSHIP AWARD

In recognition of five years of membership with *maddies* Netball Club the following people received their Five Year badge in 2004.

Megan Clarke

Nick Robinson

Sara Driver

Ellie Leiper

Melissa Winn

Ode to *maddies* Netball Club

United we stand,
As one we would fall.
And so our special Club,
Is the greatest joy of all.

At the Calwell Pavillion,
Proudly each week we play.
Hearing all the comments,
The envious passer-by's say.

Never is there an insult,
Against our friend filled club.
Always admiration and praise,
Else they would get thumped.

For through any whinging,
It remains to be said:
A deep seated loyalty,
Lies within every head.

And every time we pass,
Another one of our lot'
There's smiles all around,
If we know them or not.

We'll cheer for all our teams,
That play on as we pass.
Share with them their victories,
Urge them on with our hearts.

Metros, Mystics, Merangutans,
Marbatatoes, Mimi's small.
We're all part of the 'M' team,
Shining through Netball.

Coaches and players of course,
And there's umpires too.
Scorers and managers,
Parents; they're not few.

But behind the scenes,
There's a volunteer crowd.
Without whom the club,
Would never be around.

Too many to mention,
We know and love them all.
Aunty Erica especially,
Who sells raffle tickets galore.

Play for everyone behind you,
Wear pink and blue with pride.
Remember you're a *maddies* member,
And hold your head up high.

United we stand,
As one we would fall.
Thanks to loving friends,
maddies is the greatest club of all.

By Lucy Gabley, 1999

Year 5 Milkshakes

Coaches: Ashlee Tronerud & Ellie Scanlon

Umpire: Neil Mulherin

Manager: Kate Mulherin

We had a great time coaching this season. Everyone would turn up to training ready to train and to learn new skills. Everyone in the team already knew each other, so it was then our job to learn ALL of their names. It was a little slow at the start, as we had done a very small amount of coaching prior to the start of the season. We grew as coaches and everyone grew as players. At the start of the season, we didn't really know any of them too well, but after a couple of weeks, we started to get to know each other a little better and became more comfortable around each other. All the girls had a great season, developed some great new skills and came runners up with only a bit of help from us. All the girls are stars, and we hope to see them grow even more through their netball in the years to come.

Becky Mulherin: Little Miss Tiny - Although Becky is one of the smallest players in our team, she can jump the highest! She is one of our strongest defenders, and for her height, she gets so many intercepts and rebounds in the circle. She tries her hardest whenever she is on the court, and will always get the ball even if her player is twice her size! Becky is a polite and kind person, who is positive towards all her teammates and especially us. She will always have polite manners and never has a negative thing to say about anyone. Becky is a delightful person and player who will go an extremely long way with her netball! Don't worry Becky, you will grow!

Elise Daly: Little Miss Quick - Elise is the fastest person in our team! She plays Centre and Wing Attack and kills her defenders because they can't find her on the court! We can put her into any position on the court and she will play that position to the best of her abilities! She darts around the court, and does fantastic moves. She dodges and loses her

player, she feeds the ball in at the circle and does it brilliantly. Elise leads to the ball, and if her defender is still with her, she will do anything to lose her player and get the ball to keep it moving down the court. She is so fast, that our eyes can barely keep up! Elise has a very long future of netball ahead of her, she is a fabulous player! Well done on a terrific season!

Tessa Cooper: Little Miss Fun - Tessa always wants to have fun! At training, she would be the first to ask if we were playing the year 6 team or if we were playing a fun game. She is a fantastic player and did extremely well this season! She has the strength in her pass to get it over one entire third. Her pass is so accurate, that if you weren't looking when she passed it to you, that it would hit you straight in the head! Tessa loved to play shooter, and in the wings, so we could play her anywhere and she would be great! Tessa had a great season, and was a pleasure to coach. Well done, you did great!

Sheridan Martin: Little Miss Curious - Sherry always wanted to know what the gossip was, whether it was at training or at the game. She was always happy, and was prepared to play! We would put her in the defending end, in shooter, or even in centre court and she would be absolutely awesome! When someone was sick or injured, Sherry would always end up on a position she didn't like as much as GA, but still played her best and wanted to win. She would give lots of positive comments on and off the court and kept the team going. She can play anywhere! She always comes off the court with a red face, so we know that she has tried her best! Sheridan is going to go a long way with her netball! Well done Sherry!

Lauren Stephen: Little Miss Star - Lauren is a star! At every thing she tries, she is so good at it! Lauren was one of our main shooters this year, and she was such a stand out! She had a fabulous technique with her shooting, and her accuracy was amazing for a kid her age. She shows maturity beyond her age and always turns up to training and games with a positive attitude. Lauren is one of our taller players, and used her height well to get the occasional rebound when she missed her occasional goal! She has a very positive attitude to us and to all of the players in our team. Well done!

Georgia Hughes: Little Miss Chatterbox - At training and at games, Georgia would never be short of a word. She'd stop talking only when we had to ask her, and when we were talking and explaining what to do. Georgia also loved to have fun, and to play games. Georgia always turned up to all of the games and put in a massive 150% every time! She was one of our strongest centre court players, and even enjoyed shooter when she got the occasional opportunity! She runs around the court and doesn't get tired, sticking on her player and getting a massive amount of intercepts and tips! Well done Georgia!

Jess Hardie: Little Miss Giggles - Each time at training, Jess would love to have fun, she'd be laughing all the time and would want to play around. Whenever we saw her, she'd have a big smile on her face and she'd always have a good time. The little Miss's definition of Little Miss Giggles is, She can't stop giggling, in fact, she giggles so much that when she's around, everyone else starts laughing too! Jess loved to play shooter, and became quite good at it after we told taught her how to shoot properly. Jess will become a very strong player, as she can be put anywhere on the court and in that position, she would play awesome. Well done on a great season!

Maddie Robinson: Little Miss Shy - We think that Maddie said the LEAST at training and at the games each week! She said the odd word when she asked to play a game, or to ask what we were doing, but we think that Maddie was very shy at the start of the season.

Maddies

Towards the end of the season, she started to come out of her shell. She liked to play in shooter but she was great in defence, with awesome rebounds and intercepts. When Maddie got to play shooter, she took the opportunity to play great, having an accurate shot! Maddie was a pleasure to coach, she always would take on board what we said to her and tried to put the advice into her game. Well done Maddie!

Shannon Jones: Little Miss Wise - Shannon would always be the first to correct us if we were wrong! She would always know the answers to our questions, she is very smart! Shannon would also comment on how short we were, and how her feet are bigger than ours! Shannon is one of the only people we know who likes to play goalkeeper, which is why she is so good at it. She has extremely long arms and uses them well to get intercepts and tips! At the end of the season, Shannon ended up playing absolutely awesome, especially when it came down to the hard games to determine if we were going to come second. The pressure wasn't too much for Shannon and she always turned up and played great! Well done Shannon, you are a great player!

Amy Prentice: Little Miss Sunshine - Amy would always see the bright side of things, when it was cold and rainy, she would still always want to train and play, just because she wanted to have fun. She would always have a big smile on her face, which would make everyone else be happy around her. She was always keen to play, and was a very strong defender. She read the court beautifully and always knew when to get the intercept! She spoke on the court and gave plenty of positive feedback to all of the girls. Her arms are really long and she used them to put them up in the circle over a shot. Well done!

Ashlee Tronerud & Ellie Scanlon

Yr 6 Moo Cows

Coach: Alyssa Audsley and Jessica Brophy

Manager: Amanda Fowler

Umpire: Jenny Goodwin

Danielle Crimmins: Danielle is an amazing little netballer! She's such a star centre-court and takes so much control and leadership on the court, always encouraging her team mates and giving them positive feedback. She works extremely hard on court and always drives hard onto the ball, changing direction constantly and trying new moves; whatever she has to do to receive the ball and help her team mates out. We love Ellie's constructive attitude and love for the game of netball. You certainly have a bright future of netball ahead of you, well done! ☺

Maigan Fowler: Maigs is a strong and cheerful player who always devotes herself to playing netball. She always puts 110% effort in and her efforts certainly show on the court. Maigan will always listen to our feedback and advice and she takes that out on court with her and tries to apply it to her game. She is always full of energy so it is not hard for her to break free from her player and perform awesome leads in to the goal circle. Great season Maigan, you're a star and a great sport too! ☺

Karrin Wetzell: Karrin is an extremely talented and versatile netballer. We were able to put her in any position and she would do an outstanding job. Karrin is also a very dynamic player and would always train and play to her full potential. She is a first-class attacker and defender, which is why she was such an impressive centre. She has great speed and amazing ability to read play; she could make a big difference to the game! Outstanding work Karrin, we hope you continue with your netball because you will be able to go very far! ☺

Sarah Ciuffetelli: Sarah is a gorgeous little player! She is a strong attacking player because she can move so quickly around the court and could easily break away from her opposition. Sarah is also very skilled at feeding the ball into the goal circle accurately and efficiently. Sarah has the most cheerful and cheeky grin we have ever seen and we love her bright and shining personality and her love for netball! Excellent season Sarah and good luck with your future in netball! ☺

Courtney Rowley: Courtney is one of the very strong members of the defence duo. She is a very determined player and when she sets her sights on something she will always achieve. You could always count on Courtney to take a rebound or an intercept at a crucial time and help her team to win. She worked extremely well in the circle along with Rachel and was always aware of both of their players. She has magnificent composure and attitude on court and always plays to her full potential and tries her best! Great work Courtney, you are a superb netballer! ☺

Rachel Treglown: Rachel is a player with a very bright future! She was certainly made to be a defender and the rate of intercepts she can achieve in one game is astonishing. She is also a player with lots of determination and a pleasure for everyone to watch. Rachel has a lovely personality and she will always encourage and support her team mates. We have thoroughly enjoyed coaching you this season Rach, you are an extremely talented and determined player! Well done and good luck with your future netball career! ☺

Belinda Goodwin: We were very proud of Belinda's accomplishments this season. Every game she kept on improving and developing her netball skills. At training and at games she was eager to learn and she always kept smiling. She was an encouraging team member and a pleasure to coach! Well done for your efforts Belinda and good luck with your netball! ☺

Lauren Pennifold: By the end of the season Lauren was a pro. wing defence! She grew to know the position so well and we were amazed at the level of her abilities. Her attacking and especially defending skills have certainly developed into something wonderful throughout the season and were a real asset to the team.

She always remained calm and composed on court which allowed her to stay focused when playing. Lauren continuously put an enormous amount of effort in and played to personal best, which always resulted in fantastic defence! Well done Lauren keep it up! ☺

Nicole Feneley: Nicole was a real delight to coach. She was always on time to trainings and games and always had a polite and positive manner about her. What she had learnt at training she would try to apply to the court at Saturday netball. Nicole is a very smart player and she was constantly working with and being aware of her team mates. She made a beautiful shooter with her superb movements in the goal circle and her accurate shooting! Thanks for being such a pleasure to coach, Nicole and congratulations on a fantastic season! ☺

Jamie Hart: Jamie is a very impressive young netballer. She is a very reliable attacker and when the ball is turned over, she is quick to react and will defend her player confidently. She always plays the game with focus, determination, intelligence and outstanding spirit. She allowed the ball to flow swiftly down the court and drove strong onto the ball. She was a star in the goal circle with her accuracy and co-operation with Maigen and Nicole. Well done on your efforts and great attitude this season Jamie! ☺

Alyssa Audsley & Jess Brophy

Maddies

Malfunctions

Intermediate Division 1

Premiers 2004

Coach: Kim Crimmins
Umpire: Dave Tronerud
Manager: Lisa-marie Ciuffetelli

I have had the pleasure of being the Maddies Malfunctions coach for the 2004 Winter Season. As it is my first year here at Maddies, I really didn't know what I had gotten myself into by taking on these 10 young "unknown to me" ladies. I had absolutely no idea on what these girls could do or where most of these girls could play. Our first training sessions focused on getting to know each other and our first few games were by trial and error. That was 5 months ago and I can now confidently say that I know the girls very well and without a doubt would have to be one of the proudest coaches in the comp. The girls did not drop a single game all season and drew only 2 games - an amazing feat by anyone's standards. The only thing I would really like to say to these beautiful girls is that I have thoroughly enjoyed coaching you all and have absolutely no doubt that each and every one of you could make it to the top of your netball dreams if that's what you choose. Each of these 10 players have brought something unique and very special to our team and that it has been a great privilege to be part of – so thank you girls for "**having me**" this season - you will each hold a special place in my heart for many years to come.

Nikki Terry: The first thing that springs to my mind is that I have always thoroughly enjoyed coaching this powerhouse of a young lady. I was fortunate enough to be one of Nikki's first netball coaches and am still in awe of her today. Nikki never ceases to amaze me on how she always finds that loose ball and that she puts in 110% effort each time she steps onto the court each and every week makes it a pure privilege to have her in my

Maddies

team. Nikki portrays leadership qualities well beyond her age and I have relied upon Nikki on many occasions to help lift the team during tough encounters – a task she has carried out to the very best of her ability. Nikki has always shown amazing determination (even through a tough season carrying injury) and the natural ability to read the game and I thank her sincerely for all her hard work throughout the season, we couldn't have done it without you.

Sarah Mazzer: When I first came across this gorgeous girl I mistakenly took her as being "a quiet one" – how wrong can one be?? Sarah quickly became the team's star chatterbox and always had something positive to say (both on and off the court!!) Sarah's ability to move with style and ease within the shooters circle was truly amazing to watch not to mention her shooting average was nothing short of being fantastic. I absolutely loved watching Sarah play GA/GS and know that having someone so happy on our team was a constant boost to all her team mates. Sarah's commitment to the team was unquestionable as she was constantly juggling other sporting commitments to be with us as much as she could. Well done on sharing with us your great netball skills that made it a memorable season, you have a great future ahead of you in anything you choose and I thank you for giving your best to your team at all times.

Amanda Bond: This amazing lady gave her all each and every week. She was one of my many reliable shooters and I always felt at ease with Amanda in the circle. Amanda too started out as another "quiet one" – but as the season progressed I started to notice she also didn't mind a chat...I think it was our "group hugs" that brought her out of her shell. Thank you for always taking hold of any challenge I gave you (and there were a few of those especially towards the end of the season in centre court) and for always remaining positive and in total control during our tough games. Your ability to pull in those rebounds within the circle using one hand made it look so easy and I know that you have a great netball career ahead of you. Amanda, you are truly a beautiful young lady and it was a pleasure to have you in my team.

Jessica Fortune: Well Jessie girl what a woman!! This big spunk was absolutely awesome as our regular Wing Ding and what a great job she did for us each and every week. Jess never gave up any challenge thrown her way and was always willing to "talk it up" on court especially in times of need. Your defensive strategies have become part and parcel of your natural game and I have thoroughly enjoyed contributing new skills to your strong netball base. Jess was always happy to help out in the circle when needed and I was always more than confident that she would give it her best even out of her normal position. Thank you Jess for your amazing athleticism it has been a pleasure to watch you grow into one of the best WD's in the comp. I have enjoyed coaching you and sincerely hope that you get all you are looking for out of your future netball career.

Maddie Dean: "Maddie Moo" as I affectionately called her throughout the season. This is yet another gorgeous girl who gave her all on the court every time she stepped on. Maddie was one of my most versatile players as I had her all over the place from Centre Court, Shooter to Defence just to name a few...Maddie has this amazing ability to force a handover, chase those loose balls down, recover and offload all in a matter of a second – and witnessing some fantastic intercepts that surprised not only me but I'm sure herself at times was just the icing on this young ladies cake! Maddie was always focused on the task ahead of her and I couldn't have asked for a more reliable team member than Maddie. I sincerely thank you for all your hard work throughout this memorable season.

I have no doubt that Maddie is destined for great success throughout the years on and off the netball courts.

Megan Daly: "Megs" would have been the quietest member of my team – mind you, I don't think she could have gotten a word in edgewise anyway. This beautiful girl has grown and developed into one of the best circle defenders in this comp. Megan started off the season unsure of herself but soon realised that she could reach the dizzying heights of being a star defender and she certainly made sure of that. Megan works especially well within the confines of the circle and can pull a rebound from what looks like an impossible situation. Megan, your determination and beautiful personality have made you a very special part of our team and we all know that we couldn't have done it without your defensive work, and for that I thank you for all your hard work. You have been a pleasure to coach this season and I wish you the very best Netball can offer you in the future.

Krisi Nedeljkovic: Krisi joined our team as our most experienced Defender and she certainly has shown everyone just how it should be done! Krisi showed awesome agility and speed chasing down loose balls and some of the rebounds this gorgeous girl pulled out of nowhere were nothing short of miraculous. Krisi was always willing to give her best right to the end, a quality that is an asset to her. The huge smile and bright personality were just an added bonus to our team and when paired up with Megs you guys were unstoppable. Krisi always enjoyed a laugh with the team and you could always count on Krisi to find **any** other team to play against at training (she also fancies herself as a bit of a shooter). Thank you so much Krisi for a great season I have enjoyed coaching you and I can see great things coming your way in the near future with your netball career.

Jess Crimmins: Jessie girl was chosen primarily as a shooter and at times goal circle defence. We could just take our pick with you and any positions you have been called to play in you have always performed with unstoppable enthusiasm and energy. Your ability to play both ends has been an invaluable asset to our team as you have been called upon more than once to play either end. Your speed and determination were fantastic to watch and your ability to never give up right to the end always amazes me. In times of need you were always there to cheer on your team mates and give them positive feedback – for that I thank you. Being the coach's daughter sometimes has its disadvantages but I hope you take something away with you that you can use to further your netball career into the future. Our time together with the Malfunctions was special and has given me some wonderful memories.

Allyce Stephen: This big spunk was another one of our reliable shooters come defender and during the season she was called upon to do both, a feat she could achieve with the blink of an eye. Allyce is a truly beautiful player to watch as her gracefulness on court is just so soothing (especially in tight games). Anything she goes for she rarely misses and her shooting average would also be one of the best in the game. Allyce has the uncanny ability to position herself in the exact right spot that has seen her on many occasions this year be the recipient of countless intercepts or held ball handovers. Allyce was a special part of the Malfunctions team and brought with her the versatility of being a double ender. She was always eager to learn and never complained when asked to do either job. Thank you Allyce for a fabulous season I have really enjoyed having you in our team.

Peta Frost: Little Peta as we affectionately called her was truly a great asset to our team. Her tiny stature was just another one of her hidden talents as this girl was great to watch on court. Her ability to dodge and make strong leads to the ball all over the court

Maddies

contributed to the teams overall strength and domination of the competition throughout the season. Peta worked hard and was always willing to play either centre court attack or defence which was fantastic as at times because of team injury she was called to move around. Unfortunately, Peta didn't get to finish the season with us and as a team we all missed her great playing style and bright personality. We all truly hope her netball career continues to flourish and wish her all the very best as she is a great player and will be an asset to any team in the future.

Kimmie Crimmins

Moonbugs

Intermediate Division 2

Coach: Bridget Harris & Helen Cain

Manager: Judy Ellidge

Umpire: Kaylee Bryant

Absent: Sam Webber

This was the first year that the players in the Moonbugs line-up had worked together and the combinations that they created worked extremely well. The team spirit and associated skills developed very quickly and each player responded well to training by learning new skills and refining those that they already possessed.

Each training session was very well attended by nearly all of the players and this certainly showed at game time. The team deservedly ended the competition rounds as the minor premiers of their division.

It has been a good experience working with these players and we thank them and their very supportive parents and supporters for all their help and encouragement throughout the season.

Allison Treglown: Alli played a wonderful season this year as one of our primary Goal Defenders. It was very pleasing to see Alli display her natural abilities as a Defender, always improving her skills in many areas in this position as each week passed. This improvement has been achieved through her hard work and dedication at team trainings. Alli not only displayed her natural skills to the game each week, she also provided constant support and encouragement to the other players on the team. Thanks for a fabulous season Alli it was a pleasure coaching you this year. Keep up the good work!

Mikaela Hiew: Mikaela is one of our circle defenders who has had principle responsibility as Goal Keeper. Michaela has made a solid contribution in the circle and has been one of the main instigators in creating turnovers for the team. Mikaela is always accepting of advice and is able to respond to that advice by applying the required skills on court. Mikaela has had many challenges this year, in particular, a towering opposition Goal Shooter. This did not daunt her and she was able to effectively spoil any opportunity in the opposition's goal circle. Great work Mikaela thanks for your efforts.

Samantha Webber: Go the 'crane'. Anyone who has seen Sam in action will understand what this means! Sam would be the most powerful and effective defender in this division as most opposition shooters would agree to. Sam was extremely effective due to her discipline in the circle (she very rarely gave away penalties in the circle). She has a very strong defensive hold and rebounds consistently. Without doubt Sam's strongest skills is her uncanny ability to reach the loose ball so quickly. Any opportunity will be taken by Sam and as the last line of defence she is extremely valuable. Well done Sam it has been good to coach you.

Hayley Feneley: Hayley is one of the quiet achievers in the team. Her cool, calm and collected nature appeared to rub off onto the other girls mid way through the season. This positive team attitude became more and more evident with each game and those of us on the sideline could clearly see the whole team remaining calm and focussed while approaching the game with laughter and enjoyment. Hayley is able to position herself to be at the right place at the right time to provide the best support to her team mates. There was rarely a game that Hayley did not contribute a positive turn-over or an intercept or two. This was due to her ability to read the play and know where the ball will be. Hayley made a valuable contribution to the team as the primary Wing Defence. She continually improved her defensive and attacking skills throughout the season due to her 100% commitment to games and team trainings. Hayley's natural attributes meant that she was able to very effectively control the defence and attack, which is the role of the team's Wing Defence. Fabulous season this year Hayley, keep it up.

Hannah Miles: Hannah is the 'all-rounder' player for the team, taking on the responsibilities in the Centre court with her strong attacking and defensive skills and backing up in the Goal circle as one of our star shooters. Hannah did not come on board as one of our shooters until mid way through the season. It was pleasing to see a player like Hannah, who has a very strong presence in the Centre court play, also prove to be a strong asset to the Goal circle. Hannah always provides constant support to her team mates with her encouragement and enthusiasm. It was very pleasing to see you excel in both these positions Hannah. It was a pleasure coaching you this season, well done!

Tonia Ellidge: Another one of our tenacious and energetic centre court players. Tonia is a natural leader and more often than not assumed the role of team captain. Tonia has the ability to understand what needs to be done on court to overcome the opposition and very willingly offers help and suggestions to her team mates. Tonia's centre court skills have been a critical part of the team's success this year. Tonia, thanks for your enthusiasm and contribution to the team, you have the potential to be a successful netballer so keep up the good work.

Tegan Hughes: Tegan has been a consistent and strong presence as a Wing Attack or Centre. She is deceptively strong and has a determination to achieve that will always stand her in good stead. Tegan underestimates her skills and abilities but fortunately the

rest of us know how effective she can be. As with the rest of the team Tegan has consistently trained well and, as a result, her skills have developed well. Thanks for everything Tegan it has been good to have you in the team.

Nicole Bryant: Nicole started the season as our primary Goal Shooter and while this remained her focus she quickly developed into a very effective and reliable Wing Attack. Nicole is a very accurate (if unconventional) shooter who has also taken advantage of the development opportunities available this year to improve on her skills. Nicole is a very quiet member of the team but every now and then she shows a bit of spunk both on the court and off. Thanks for your contribution Nicole and keep up the good work to develop your skills.

Maddie Bond: It seems the Bonds were made for netball and Maddie is contributing to their well deserved reputation. Maddie was another one of our primary shooters who is an absolute natural in this attacking position. Maddie works extremely well with the other shooters to ensure that the team makes good use of the ball. Maddie is a quiet achiever on court, which means that her skills come as a surprise to the opposition. A little more aggression would make Maddie a dynamic force to be reckoned with. Maddie recently demonstrated her versatility by filling in at Goal Defence when our primary defenders were unavailable. She quickly settled into the role and did extremely well. Thanks for your efforts Maddie and enjoy your future netball experience.

Lisa Viney: Lisa is another one of our star Goal Shooters. Lisa's height and temperament provided a valuable asset in the attack circle. Lisa was also another big improver through the season due to her willingness to train well and listen to the advice being given to her. Lisa has lots of potential that she will realise if she continues to work as well as she has this year. Lisa keep up the good work and we look forward to seeing you perform strongly in future teams.

Bridget and Helen

Maddies

Misbehaved

Intermediate Division 2

Coach: Ellie Leiper & Chantelle Driscoll

Manager: Karen Brown

Umpire: Lynley Parker

What an interesting season and what an interesting bunch of girls! The girls were strong on and off the court and towards the end of the season they really came together! We would thank all the parents for their support and for getting their daughters out to the courts on time each week. A special thanks to our umpire Linley Parker and our manager Lynne Wetzell! Congratulations to all the girls on a fab season.

Rebecca Wetzell: Rebecca was our Captain. She displayed continuous enthusiasm and leadership on and off the court with her supportive comments. She led by example always giving 110% in the defence end. You have been a pleasure to coach, congratulations Bec!

Emily Hardie: Emily is our Vice Captain and a very dynamic player. We have come to the conclusion that she should be the new face of Energizer batteries, as she just keeps going and going and going. Emily is a very strong centre court player, continuously picking off many intercepts. Emily's skirt would constantly fall off during the game, resulting in her winning many moments of the match awards. Great work and next season keep your skirt on!

Aimee Baker: Aimee is a quiet, yet valued member of the team. She is a very versatile player that was thrown into some difficult situations, however rose consistently to the challenge. She has developed an accurate shooting technique. Congratulations on an awesome season and keep up the good work!

Emma Irwin: Emma has an extremely long reach over the ball, which resulted in numerous intercepts. She always brought humour to serious situations which was good as it lightened the mood. Congratulations on your improvements, you have come a long way....and remember always go for the ball with two hands.

Eryn Beatty: Eryn has to be one of the most enthusiastic players we have come across, she always has something to say. We moved her into circle defence about half way through the season and this was a place where she really blossomed. Awesome work Eryn, reach for the stars.

Emily Frazer: Emily was our shortest player, although this did not hold her back. She used her speed and agility to make strong leads and help bring the ball down the court. Every week Emily seemed to have a different injury, however, never did this stop her from giving it her all. Emily you have had a great season and we congratulate you on your performance throughout the year.

Rebekah Brown: Although she claimed that us taking her shooting stats put her off, Bec was a very accurate and consistent shooter. She rotated the circle well, which opened up space and opportunities for the team. Bec also won our moment of the match award for her swish shots from the very edge of the circle. Bec also seemed to be in the wrong place at the right time to average the most falcons per game. Another great season Bec, thanks for your added contribution and support to the team.

Amanda Mulherin: Amanda is a very quiet achiever of the team. We can say confidently that she tried her hardest every week, which resulted in high shooting statistics. Amanda also played strongly out in centre court whenever it was needed. Amanda trained hard each week which resulted in great improvement. Well done Amanda!

Lisa Charles: Lisa certainly wasn't afraid to go for every ball, as well as put in all her effort. Lisa was a strong WD and also a daring GK. Lisa you have an infectious personality which we all loved. Keep up the good work!

Chloe Cameron: Unfortunately early on in the season Chloe broke her elbow, however she returned with strong form and a positive outlook. Chloe worked the circle really well and was confident with putting up her shots. Well done Chloe!

Ellie Leiper & Chantelle Driscoll

Maddies

Melons
Cadets Division 1
Premiers 2004

Coaches: Jen Bateman & Kirsten Duffy

Umpire: David Tronerud

Manager: Roe Audsley

On paper this team is the dream team of Maddies (apart from the name, what is with that?), no coach could ask for a less stressful team, each player has the rightful claim to be one of Tuggeranong's best players, and when they are all put together in one team is wonderful to watch, well the 2nd, 3rd, and 4th quarters are. We weren't known for starting the game in our usual netball style, but when we got started, there was no stopping the Melon's. I heard stories while I was away, of how exceptional this team was, and I knew that they would be good, but when they step up to the plate these girls really know how to put on a show.

A big thank you to the girls for their hard work this season (a big turn out to training – when it was on, was applaudable) and to Duff (Kirsten) who started the season as the coach and left us the go overseas. Also thanks to Dave who umpired us throughout the season, and also offered his advice and encouragement every game. Thanks also goes out also to Roe Audsley for being the team manager this year and also to the parents who turned up week in week out to support (and score).

Alyssa Audsley: An interrupted season for the usually unstoppable Alyssa, unfortunately she got a bad case of shin splints and was missing from the court for a few games. Although when Alyssa was on court her injuries didn't bother her one bit.

When you watch Alyssa play you can tell she has a talent for netball. She is always in the right place, and can always tell what is going to happen next. Her defence work down the court is faultless. I think Alyssa will find herself playing the centre court positions in a few years. This will be an easy transition for Alyssa as the game of netball comes so naturally to her.

Jess Brophy: Jess makes it looks so easy, she sort of just cruises around the court, "yeah I might lead here, throw the ball there, take an awesome rebound, even though every one else in the circle is 3 foot taller than me" and she seems to get the job done with no hassles. Jess certainly has a knack for reading the play of netball. The thing I love about Jess is she never ever gives up, although being stuck in the shooting third for a lot of time, she is still able to pick up at least a couple of intercepts every game. And I am still amazed at how she gets some of the rebounds she does.

Rebecca Ephraums: Bec was another one of the girls that became a victim of the effects of growing and overuse, she also had to have a few games off due to a bad dose of shin splints. I still stand by what I have always said about Bec, that she is the best WD that I have seen, and she just keeps getting better. Bec's athleticism and determination is her greatest asset and it allows her to shine on court in a position that is not normally praised. Bec is another versatile player that can go anywhere on the court, and will still look like that's where she belongs, but when she is in the centre court positions, you can tell she is at home.

Loren Moore: The baby of the team, it's really hard to remember that this girl is nearly 3 years younger than some of the other girls in the team, although her size maybe a little bit of a give away, her game play would suggest nothing of the sort. Loren is another one of those players that can play an awesome game at C and come off the court not sweating one bit. Loren's signature position is definitely WA, where her drive onto and around the circle is faultless and her feeding is amazing. Her abilities don't stop there, if she is playing wing defence, you know she is bound to pick up several intercepts, she makes her opposition pay for their mistakes.

Sarah Murphy: Sarah has had an amazing end to the season. I have to congratulate you Sarah on your awesome passes into the circle, although sometimes you have me cringing on the sidelines, they always seem to come off. Sarah was always one of the girls I was yelling at "where is your player Sarah?", although in the later part of the season her defence has picked up 100 fold, she is picking up intercepts left right and centre, and then delivering beautiful balls into the shooters, a definite asset to the team.

Cynthia Rakic: The Melon's double ender, although Cynthia doesn't like to think of herself as a defender, she is equally as capable in both ends of the court. Poor Cynthia has been flung from one end of the court to another this season, but wherever she is playing she always seems to get the job done. It's funny to watch Cynthia in the shooting circle whenever she goes for intercepts, I don't think I have seen her jump once, but she always seems to pull those rebounds in. Remember though Cynthia, your shots aren't always going to go in, make sure that when you release the ball from your hands, you immediately follow in for rebounds.

Nikki Terry: I love watching Nikki play, every game you are bound to see her on the ground chasing the ball, her determination and aggressiveness (in a good way) is astounding. Nikki is like the energizer bunny, just keeps on going and going.

Nikki is another girl part of our incredible centre court team, and whichever of the three positions I put her in, I know that she will try her heart out. Nikki is like a silent terrier, just pops out of nowhere to take a massive intercept, and once she is on a roll, there is nothing an opponent can do to stop her.

Sophie Trevillian: Is there anywhere where this girl doesn't stand out? I think Sophie must have played every position on court this season, and not only in muck up games. Her versatility has been a god send to me, with only having 2 ½ shooters and 2 ½ defenders, Sophie was required to not play in her normal C position but to be flung all over the court, but this didn't phase Sophie. The amazing thing is though, she was awesome in all positions she played! The thing that I love about Sophie's game is her ability to pick off the pass straight out of her opposition's hands, its funny to see the lengths a team will go to not pass through Sophie's arms. Keep practicing those goals, a team couldn't ask for a better back up shooter.

Ashlee Tronerud: Ash has had a massive job this season spending most of her games in the hardest position, GD (except for one amazing game in shooting, I think it must have been the best shooting stats for the Melon's this season). Her poise on court is outstanding and her ability to pick up difficult intercepts and control herself to release a safe and effective pass is exceptional. I think that Ashlee's greatest asset, is her control on court. Being a 'shorter' defender (she still towers over me) Ash you need to make sure that you do most of your work outside the circle and make the shooters work to get into the circle, this will allow you to control their movements and make it easier for you to take an intercept.

Maddie White: This girl is blessed with the longest arms in the history of mankind, they just come out of nowhere! Maddie has come so far in the last few years, and this is due to her willingness to learn, even though making the ACT schoolgirls team (good kid!) she is still so thirsty for knowledge about netball its not funny. Its fantastic for a coach to have a player that will ask for help and then try and apply what she has been told, and this is Maddie's attitude in a nutshell. Maddie has had a great season in the defensive circle (we won't mention the stint in shooting) an ever dependable rebounder and interceptor, lets concentrate on those passes though buddy!

Jen & Kirsten

Maddies

Mullets Cadets Division 1

Coach: Nick Robinson

Umpire: Séan Roche

Manager: Carmel Mazzer & DJ Scanlon

Absent: Katherine Jones

Great season and a great team of girls to coach. We have been a bit inconsistent at times but when we did get it right; it was awesome to watch. As we approach finals, we are playing some very good Netball - I hope we can keep it going!

Many thanks to our managers Carmel and DJ, (Carmel has had to put up with my sideline spats for about 7 years now!) Your help is always greatly appreciated. Thanks also, to Robbyn for helping out in Carmel and DJ's absence. Also thanks to anyone I have forgotten!

Yolanda Kol: Yol has had a great season. She is a versatile player, from WD to GS is no problem for her and that part of her game has helped us out no end this year. She fits well into this team as she has great basic skills and has the ability to step up and play a bit flashy on occasion!

Always plays hard, fair, and enjoys herself, what more could a coach want!

Courtney Wilson: Courtney is the quiet achiever of the team. Her work-rate is always huge; she works so hard off the ball which is not something that gets noticed by most people. Has formed a great partnership with Krisi and Jacqui in the defensive end. Has been tough for her to play against her Rep team mates in Maddies Melons but has handled it extremely well and the experience will help her become even stronger.

Emma Roche: Great to see Emma back to her old form this season. She has formed great partnerships with Allyce and Sarah and often made team selection very difficult for me! Emma seems to be able to shoot high % without any practice and has the most awesome long shot I've seen! Keep it going for finals Em.

Janay Robinson: Another quiet achiever has the most excellent basic skills I've seen. Never steps or drops the ball and always attempts to adjust her game when asked. Has a great "game sense"; she just knows where to be on the court. Janay can play tough when needed, which is another great asset.

Katherine Jones: I am always shouting at KJ! But it's been the same for a few years now, I think she is used to it! KJ is able to produce excellent bursts through the centre court and feed the circle very well. Her speed and power are great assets for the team and she can play really tough if needed. She just needs to get to the game a bit earlier so she can remove all her body piercing in time to take the court!

Ellie Scanlon: Ellie has matured so much as a centre court player this season. She has learnt how to read the play better and her court awareness is excellent. She is an absolute powerhouse, she never stops. Ellie will contest every ball and often spends considerable time in the goal circle!! Although not one of the biggest members of the team, she isn't scared of anyone. Great season Ellie.

Sarah Mazzer: Sarah has been a very valuable member of the team. She is playing inters before our cadet game which is a big workload but always delivers in the goal circle. Sarah is able to work in both roles, as support and/or primary scorer. I have great faith in her ability as a game winner and she has never let us down. Sarah is able to form good partnerships very quickly, a great asset particularly at her age and has a great % shot from just about anywhere.

Krisi Nedeljkovic: What a fantastic season Krisi has had. She has become so dominant in the circle and formed a great partnership with Jacqui. She reads the game so well. I've not seen anyone take as many two handed intercepts in a game as Krisi does. Her back-up role out of defence is so strong it's like having an extra centre court player out there! Never intimidated and always eager to try new tactics, great season Krisi.

Allyce Stephen: Allyce is a great team member, backs up from inters each week, never misses a game. Allyce has come back from injury, which saw her miss Rep finals, and she has just got stronger each week. Her accuracy has been very high and has formed great partnerships in the circle. Allyce kept her defensive game a bit quiet from me at the start of the season, but she got busted by a teammate. It's not often that you have a true "double ender" on your team but Allyce has the qualities to excel at both.

Jacqui Gibbs: What an awesome season! Jacqui has just been outstanding. In the circle she has just inspired the team with great positioning, fantastic rebounds and many huge intercepts. I just can't think of one game when she wasn't outstanding. Jacqui gives 100% wherever I play her and has formed a great partnership with Krisi in the circle. Great season Jacqui you are my Coaches AWARD WINNER for this season. Congratulations!!

Nick Robinson

Moments Cadets Division 2

Coach: Sara Driver
Umpire: Melinda Ashworth
Manager: Maree Newhouse

Thank you to everyone including Maree Newhouse, Mr Bain (No. 1 Supporter), Sean Roche and all the girls. You girls have grown from having no confidence, to believing that you could win the grand final! Well done, a fantastic seasons performance from all!

Louisa Spokes (Captain – GS, GA): Lou would have to be one of the most natural leaders I have ever seen play. She is always encouraging her fellow team mates and everyone chooses to follow her as she leads by example on court with great speed and her high consistency in her shooting stats. Lou can always be relied upon when the team (or the coach) gets their spirits down to raise the standard higher as she is a pleasure to watch. Her ability to carve her way around the shooting circle with her speedy leads and **huge** splits proved very handy to the Moments great season.

Jessica Bain (Vice-Captain – GA, GS, WA): Jess is one of the most consistent and calm players you have ever met. She always has a joke to tell and then turns around and takes a beautiful intercept and doesn't even pull a face when she gets barreled over by the opposition defenders. Her calmness proved most worthy of vice-captaincy for the Moments, her 'gracefulness' on court was always funny to watch but also bewildering as to how the heck she pulled it off. Jess' motivation to become just like Sharelle McMahon was very valuable on court as she has the ability to set screens up and make fast leads just like her idol throughout the whole season. However, I do believe, that before a semi final, that you should **DEFINITELY** get more than one and a half hours sleep!

Megan Clarke: Megan made a strong start to the season, however, unfortunately was unable to complete this season due to injury.

Alice Sogal (GD, GK, GS?): Yes at times, Alice could be heard saying to her coach, "I'LL GO OFF!" but due to her natural height and easiness to take great intercepts, Alice found herself on court more than she expected. Even though this is Alice's second season playing netball, her improvement throughout the entirety of the comp was outstanding and of great advantage to our team. Her ability to block the GS and GA out of the goal circle was an absolute nuisance to the oppositions as they very rarely got past her. And if you keep on practicing your shooting then I am positive that we will see a position change in the near future.

Emma Cutting (WA, C, WD): Emma was an all round centre court player who can get from one end of the court to the other in one second. Whatever position she was placed in, she proved herself to be a great asset to the Maddies Moments side. The leads that she makes need no preliminary move beforehand as she has the ability to beat her opponent in three steps. Em's defensive skills and ability to read the play shows great potential for a fantastic career in Netball. Although the quietest of the Moments, she was **ALWAYS** noticed on court by everybody.

Georgina Newhouse (GK): Georgie always puts in a consistent effort and was the pivotal part of our defence end. She had a brilliant season; improving OUT OF SIGHT! In our semi-final against Hornets, she came into the game in the last quarter and the GS didn't know what to do, as she could never get the ball! Georgie's never-say-die attitude proved to everybody on court to not take her lightly as she could always be seen fighting for the ball every time it came near her opponent.

Natalie Foley (WD, WA): Nat's presence on the Netball court was always noticeable by her physical and mental toughness and nice loud voice, which can be very intimidating to the opposition (even scared me the first time!). Nat's leads in WD were always a great back up option for our attackers and in WA; she was always ready and waiting for a pass to offload to our shooters. Nat also showed good sportsmanship at all times especially toward umpires. (I know it's hard to not umpire a game yourself when you're an umpire and you're playing!!!)

Renee Winn (WD, GD, GK): Nay's height proved to be a great asset to the team's performance this year; WA's never had an easy task getting past her and same with the shooters. Along with Louisa, Renee could always be depended on to assist in lifting the team's spirits in times of need. Although not feeling too good before games sometimes due to a big night, she worked to higher standards every week by raising her intensity at the start of every single game.

Stephanie Maloney (WD, C, GD? GS?): What can I say about Steph! Having coached Steph last season, I can see that she has matured a lot in one year and still makes everybody especially me, laugh. Her height, speed, aerial skills and very talkative personality have proven yet again to everyone what great potential she has to be a representative player in the near future. Every two seconds she would be pulling off these amazing intercepts and getting a thousand touches to the ball with her go-go-gadget arms (yes I know that I have said that before!). And lastly Steph's favourite quote is from the Carl Barron DVD and is her greeting for me, "Have you been speeding?"

Maddies

Ashlee Hughes (WA, GS, GA): A quick one to say, "Can you please not put me in shooter?" and why wouldn't I put her in GS or GA when someone with as much talent as Ashlee is in our team! Ashlee's height and speed were of great advantage to us as she was always making great leads towards the ball or putting on a magnificent hold in the circle. Her sense of humour always kept everyone amused and will be missed next season by her coach.

Maddies

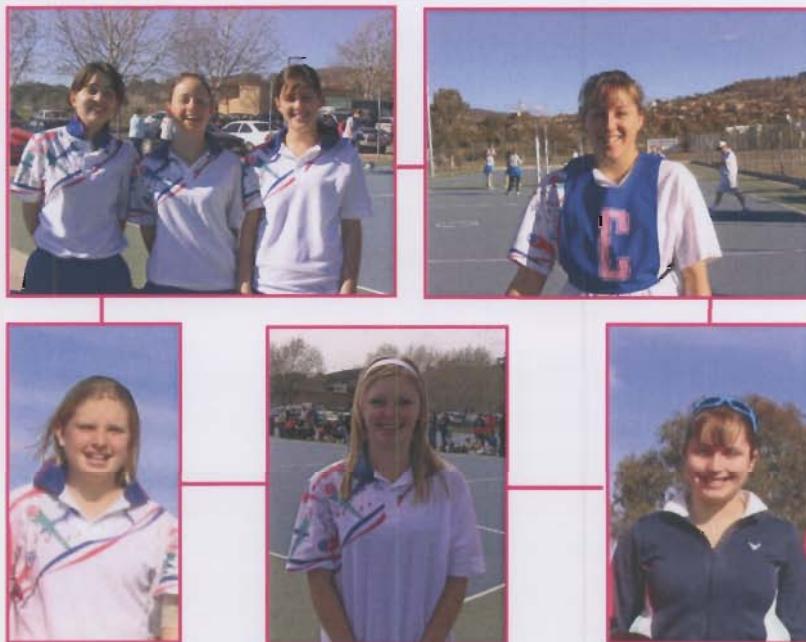

Maddies Seniors Division 1

Coaches: Greg Pearson and Erica Lauchland

Umpire: Anne McCauley

Manager: Mrs Caldwell

Technical Adviser and Bib Distributor (TA & BD): Greg Pearson
(It's a misnomer to call yourself a coach when the team doesn't train and you miss most games).

As I write this we have just successfully played in the minor semi-final of the A1 Senior Division, and I am optimistic that we can do well for the remainder of the season. The team has done very well for one that has had a number of players drop out, leaving us with only seven players, is afflicted by the "Seniors curse" (not enough players turn up to train to make it worthwhile), and a TA & BD that was usually unavailable for Saturday games. Individually talented players, we depend upon their skills to survive each week, and finishing in third spot in the season proper is testimony to their abilities. This however, has only been possible with the support of Cadets players who have played or sat on the bench for us throughout the season. Our thanks here must go to Sarah Murphy, Jess Brophy, Rebecca Ephraums and Cynthia Rakic. Further thanks must go to Erica Lauchland and Mrs Caldwell for supporting the team, getting them onto the court and scoring.

By the time this is read we will all know just how well founded, or otherwise, my optimism was, but rest assured that the girls will have given their all and battled to the end to give a good account of themselves for the 2004 season.

Those that survived to the end were:

Aimee Caldwell: Aimee is a very handy shooter even though she may be disadvantaged with a lack of height. She has been consistent with her shooting and has fed the ball extremely well.

Carly Caldwell: Carly is a strong attacking player who uses her speed to move off the line for centre passes. She feeds the circle well, a quick attacker with good skills and vision.

Hayley Caldwell: Hayley is a very adaptable player with very quick reflexes. She is capable of playing in any position on the court and can also jump extremely high to take a ball or an intercept.

Sara Driver: Sara has shown some outstanding shooting this year, she works well in the circle and knows how to hold for that lob. Many a time she has pulled in a high ball that seemed well out of reach.

Chantelle Driscoll: Chantelle is a strong defensive player who also plays a very good WD. She backs up well for the centre pass and knows how to move the ball down the court. Chantelle has taken some good intercepts in the circle and has made it very difficult for her opponents. A very good, hard working, young defender.

Ellie "Mona" Leiper: Ellie is also a strong defensive player who loves to get up for rebounds. When defending outside the circle she comes from nowhere to take the intercept totally taking her opponent by surprise. A tough and fast young defender with plenty of skill and opinions.

Michaley Phokos: Michaley is a strong forceful player who is willing to put her whole body on the line to take an intercept and she usually does so in every game. Our lynchpin between defence and attack, she is a dynamic centre court player.

Emma Fisher: Unfortunately Emma had to finish the season early due to work commitments, but she is a dynamic centre court player.

Greg Pearson

Maddies

Mirages Seniors Division 1

Coach: Séan Roche
Umpire: Melinda Ashworth
Manager: Séan Roche

Absent: Sandy Leemhuis

Sandie Leemhuis – Captain: Sandie displayed commitment to training and was often frustrated by the disruptions that beset the team this year. Primarily C/WA, she also made a couple of notable guest appearances in the shooting circle. Determined, committed and well experienced, Sandie made an invaluable contribution to the team and formed some terrific partnerships through the centre court. There is never any real doubt about her opinion of umpiring decisions with which she does not agree.

Gillian Duffy: Starting GA/GS for the team, Gillian lasted two games (one longer than last season). Unfortunately injured during her second game (someone decided she didn't need her legs), she had to undergo knee reconstruction surgery and missed the rest of the season. I don't know whether she will ever again want to be in any team I coach!

Amy Tidswell: Amy was thrown into the unfamiliar role of WD and was at something of a loss the first time in this position. After getting some tips from the team, she improved her game astonishingly and was a real thorn in the side of opposing attacking players, holding them and forcing them to move where she wanted them to. Amy also suffered an injury (against the same team as Gillian), fracturing her arm and missing most of the season. When recovered she was unable to finish the year due to work commitments and was sorely missed.

Kirsten Duffy: Kirsten is an extremely strong player, especially in the attacking circle, and can play just about anywhere on court. She made a very valuable contribution to the team but, sadly for us, finished the season early to travel overseas.

Linda O'Neill: GA/GS and well known giggling-gertie, Linda moves beautifully in the attacking zone, using her height and reach to great advantage. When focused she rarely missed a goal from anywhere in the circle and established some great partnerships with the team's other shooters. (She will not, however, be used in the defensive circle ever again.) Linda suffered serious ankle ligament injuries about two thirds of the way through the season, much to the detriment of Mirage's finals aspirations.

Suzie Barker: Well known for her demonstrative encouragement of the team, in both word and deed, Suzie is a talented centre court player, stepping in to mainly fill the WD, WA and Centre positions. Her support and commitment to the team was best demonstrated in the first final when she refused court time because the on-court combination was doing so well. Due to other commitments, Suzie was not available for all games but when she was she made a great contribution both on the court and from the sideline.

Alicia Signor: Alicia was not available for all games this season due to work commitments but made valuable contributions every time she took the court. Working mainly in the WA/WD positions she displayed great speed, provided lovely feeding and support around the shooting circle and cleverly read the play whether attacking or defending. A real team-player's effort for 2004.

Rhonda Apsey: Rhonda and Sandie tended to share the WA/C role between them much of the time and proved a very effective duo. Always talking in the breaks – "Should we zone defend or go one on one?" – offering constructive suggestions and looking to get the best out of the team, Rhonda demonstrated her eagerness to improve personally and contributed greatly to the success of the team on court.

Rebecca Cole: Beck was our anchor in GD/GK and probably our only real original specialist in the defensive circle. This season she further developed her lovely 3 feet hold and rebounding and when she kept herself in check and focused she was terrific to watch, contesting everything and often coming up with possession. This was particularly true in the finals where she was unleashed at Goal Defence and played some of the best netball I have seen her play in the 6 years I have known her! Just remember Beck, calmly and with deep breaths.

Tamara Bond: Specialising in the attacking circle, Tamara was rock solid and demonstrated great skill and technique. Seemingly unflappable, she had no less than four shooting partners during the season and managed to work well with all of them. Tamara had a high conversion rate and was a steady influence when things got hectic. Her commitment to training and her work rate on court were first class

Jennie Bateman: Jennie traveled overseas this year and joined the team in the second half of the season. Very skilled and determined, she added versatility and strength to the line-up, playing in positions from the defensive circle to shooter. Jennie also brought her knowledge and experience as a coach, helping the team develop strategies and making critical observations during the games.

Maddies

Ashlee Tronerud and Maddie Bond: A special thank you goes to Ashlee and Maddie who were our reserve players all season. Both are Cadets players and they often stepped in to help us after a tiring game in the preceding timeslot. Their contribution in the defensive circle was lovely to watch and the team considers itself very fortunate that two such talented and capable club members made themselves available for Mirage.

Despite a season fraught with injuries and the team therefore having difficulty finding its rhythm and building on-court partnerships, Mirage made the grand final against Angels after a 23 goal win over Rebels. The girls gave it everything and the lead see-sawed throughout the game. After being 5 goals down during the third quarter the team missed out on a win by just 2 goals. Had a few things gone differently they could just as easily have won by 2, but that's the nature of the game.

My thanks to the Mirage girls for a great season and I look forward to seeing all of you next year.

Séan Roche

Maddies

Mongas Seniors Division 2

Coach: Natasha Ryan
Umpire: Nat Foley
Manager: Natasha Ryan

We started off with a team of 9, lost a couple of players and gained one. In the end we ended up with a team of 8. It was the first time any of us had played together so it was a shaky start. As the season progressed the team started to gel. We strung a few wins together and then there was no stopping us.

Thank you to everyone. It was a pleasure to play as well as to coach you. Hope to see you all next year.

Thank you also to all the cadet players who helped us out when we were short of players.

A special thanks to Mr and Mrs Parker who came every weekend and helped us out by scoring and doing some best and fairest.

Kerri Brown: Kerri had a brief interlude with the team when she found out some great news. Kerri was pregnant. Although we were disappointed that she was no longer playing, the team was happy about the news

Megan Baran: Megan was affectionately known as Go-Go Gadget. Megan's arm span was unbelievable. She used to get down low then out of nowhere Megan would reach out and get any ball that entered the goal circle.

Jane Davidson: Jane is tall and is always put into defence. On one occasion (much to her Mother's surprise) we put Jane into centre. Jane did so well there that I contemplated giving her more chances to play the position but we really needed her in defence as you could notice the difference when we took any of our defence team out of the circle.

Chrystal Leemhuis: Unfortunately work commitments kept Chrystal from playing. The few games that she did play she worked well with the rest of the team.

Kym Gustowski: Kym started out as shooter but soon moved to the centre court. Where she helped to settle the play before taking it into the circle. You could always hear Kym encouraging the team. It was great because it meant that I could have a break. She was always cheerful.

Taryn Gustowski: Taryn joined the team when we lost Kerri and Chrystal. Taryn can get pretty cranky when playing. With her two sisters there to calm her down Taryn soon chilled. She works well within the team to bring the ball down court and feeding it into the shooters.

Jess Hough: Jess is so into netball that she plays at least two games on a Saturday. Even with playing a game straight before ours you can always count on Jess. She is always on the go. Jess is a double-ended player. With the skills in defence and the ability to attack Jess was a valuable player.

Lynley Parker: Lynley kept a secret until one night at training it was unleashed. She could shoot. Although Lynley isn't very tall she can pop those goals in from around the circle. She is also a great centre court player.

Melissa Winn: Melissa would always make the team feel better if we were feeling down. She worked well with the rest of the team. Mel was full of surprises especially when a sudden change of direction was needed.

Natasha Ryan: And of course there is me, the superstar of the team (nah just kidding). Being the eldest player in the team I was there to anchor and encourage the team when things were tough and to make sure we had a shot at getting a trophy.

Natasha Ryan
