## Sponsors

This year we have been very fortunate in the assistance our club has received. We would like to take this opportunity to thank the following people and organisations.

Canon Australia Pty Ltd have once again, very generously provided the materials and machines needed to produce this yearbook.

**Canon**  
advanced simplicity®

A new sponsor this year, Acumen Alliance provided great support with the purchase of our team bags.

Our sausage sizzle and trophies have again been provided by:

The Tuggeranong Valley Rugby Union and Amateur Sports Club has helped with the facility and the cost of the Presentation.

## CORPORATE SUMMARY

Canon Inc. was founded on August 10, 1937. With its head office in Japan the company holds capital of 168,892 million yen and includes 189 companies with 102,000 employees worldwide.

Over the last 10 years, we maintained a global ranking as one of the top five patent holders in the world. Canon reinvests 10% of turnover worldwide into research and development. This ensures we will always be at the forefront of technological developments to meet your ongoing office needs.

Australia is home to one of Canon's four international R&D centres. Canon Information Systems Research Australia (CISRA) is based at Canon's headquarters in North Ryde and employs over one hundred software engineers developing products with export potential. With our expertise in digital imaging technologies and our advanced facilities, CISRA has grown from a small R&D company into one of Canon's largest R&D Centres outside Japan.

Canon's continual investment in R&D provides the foundation for its success in the local Australian market. Canon has attained a position of market leadership with dominant market share in both black and white and colour. This coupled with Canon's extensive product range, service, training and professional Sales approach makes it the business partner of choice of many leading Australian companies.

In terms of quality service we have 330 service staff and hold \$9 million worth of spare parts in Australia. This allows us to keep repair response times to a minimum – on average it's less than three hours.

Canon Finance Australia (CFA) was established to provide Canon customers with the best financial service without the need to shop around. Canon Finance makes it easy and economical for you to invest in Canon technology. With over 11,000 customers and \$900 million of product financed, our experience and flexibility provides unparalleled support and service.

In summary, Canon delivers the latest technology along with the support and service to give you peace of mind and assurance for the future of your business.

## PRESIDENTS REPORT

WOW what an end to a great year, 5 Grand Final teams and 5 Premierships. Once again the Maddies Netball Club have had a wonderfully successful season. We fielded 13 teams, 2 junior teams, 6 inters and 5 senior teams, all very competitive with our youngest player being only 9 years old and our most senior only 26. We saw a few changes in the competition with the Cadet competition making way for bigger, stronger senior and inters competitions. From a Maddies point of view I think this has been a successful innovation as it has given several of our young, up and coming players an opportunity to experience competition against the more experienced players in the senior competition.

The season saw the return of several of our past senior players to form our Senior Maddies team who finished on top of the ladder and then won the grandfinal. From our 13 teams 9 made the finals with 5 getting into and winning their grandfinals. Maddies in Seniors A Division, Mavericks in Seniors A1, Magic in Inters Div 1, Monsters – Inters Div 2 and Mayhem – Inters Div 3. This wonderful effort yielded what may be a record of premierships for the club in the one year.

I would like to congratulate all of the players on a great season, for their commitment to their team-mates and their coaches, you have all been wonderful ambassadors to the club in your play and conduct throughout the year. Many of you were new players to the club and in new teams, turning up and not knowing many of the players around you. I have had some very memorable experiences throughout the year walking around each Saturday and Thursday night seeing you all enjoying yourselves and developing into great teams under some great coaching. Many of you also gained selection and experienced competition in TNA and ACT representative teams, congratulations on your success and we hope that it continues into the future. We also have a few players leaving the club, we wish you all the success in your new clubs wherever they might be and hope to see you back with us in the future.

Our two Junior teams had very good seasons, with our Milkshakes coming third in their Division and the Maidens also finishing strongly for the season. I would especially like to thank the coaches of these teams for their commitment. Several of our players got involved with our juniors throughout the year. Allyce Stephen took on the Maidens and Ellie Scanlon came on board early in the season to help out. The Milkshakes started with Ellie Leiper and Jess Brophy with representative commitments taking Ellie away. Jess was joined by Ashlee Tronerud and Jessica Crimmins for the remainder of the season. These young coaches were overseen by Kim Crimmins ensuring that all the junior players benefited from the skills and dedication of these girls.

Our success as in other years depends on our great volunteers who willingly give their time to work for the club and the girls. Being President of the Maddies Netball Club has so far been a great experience for me, to work with and get to know all the volunteers and many of the parents in the club and to experience the friendship of the players has again been a highlight of my year. Maddies continues to be very fortunate to have so many wonderful people who give up their time to ensure that our season and players are happy and successful.

I would like to congratulate and thank the committee for another year of hard work and dedication to the players and the club. From the first meeting of the year and throughout the season you have continued the wonderful enthusiasm that you all showed last year.

## PRESIDENTS REPORT

Throughout the year each member contributed many hours and some late nights in writing newsletters, fundraising, running MVP awards organising coaches and teams, taking minutes and creating financial statements, organising and ensuring uniforms and equipment were available and generally ensuring that coaches and players had everything they needed to effectively participate at training and in the competition. To you all it has been a wonderful experience working with you again this year and I extend a heartfelt thank you on behalf of the members and the club for your efforts for the year. I hope for Maddies sake that you all continue with the club for years into the future.

I would like to also thank our many great coaches. This year several of our coaches from last year and many new people volunteered to assist in the development of our players. Kim Crimmins did an outstanding job canvassing and recruiting coaches to ensure that our players continued to get the best available coaching during the year. We had several new coaches join the club with Wendy Amos and Belinda Blewitt, Kylie McKlung and Melissa Winn new to coaching in our Senior Divisions. Kylie was originally a Maddies player and it is good to see her return to the club, welcome back Kylie. John King joined the club and was a new coach in the Inters division. He was assisted early in the year by Melinda Ashworth who left half way through the year to have a baby (congratulations Melinda), Johnno was joined by Bernie Hay, welcome to the club Bernie. I hope all of you new coaches enjoy all the friendship in the club and come back next year. The year also saw the return of Nick Robinson coaching again at Senior level while Jen Bateman, Kirsten Duffy, Sara Driver, Kim Crimmins and Séan Roche volunteered to coach our inters teams. It was also nice to see some of our Senior player passing on their skills and experience early in the season to our younger players, thanks ladies your continued involvement in the club can only benefit the younger members of the club.

I would like to congratulate those who secured their Level 1 coaching certificates during the year, Jess Crimmins, Ashlee Tronerud and Wayne Crimmins well done, I hope to see you all playing a leading role next year in the development of our players. You are following in the success of many great coaches that have been and are still coaching Maddies players, the future of the club will always be bright while people like you continue to put their hands up.

I would like to pass on my thanks to the many people who willingly gave up their time during the year, the team managers, those parents who participated in the scoring duties, all of our dedicated umpires and anyone else who assisted in some small way to ensure that Maddies players and members enjoyed their netball. It would also be remiss of me not to mention that wonderful group of people who get up early every week in all weather to run the BBQ and canteen and make sure our girls and parents are provided with hot food and drinks and plenty of good humour during the day. We understand that Peter Lauchland who has run the BBQ for many years is retiring along with many of his group. To all you wonderful people please know that the Maddies Netball Club players and members thank you sincerely for your dedicated service to us and the rest of the TNA community, you will all be sorely missed by all associated with the TNA.

Next I would like to congratulate our new life members, Kirsten Duffy and Jen Bateman. People don't get to be a life member of any organisation without many years of commitment and dedication. Kirsten and Jen have both been wonderful contributors to the

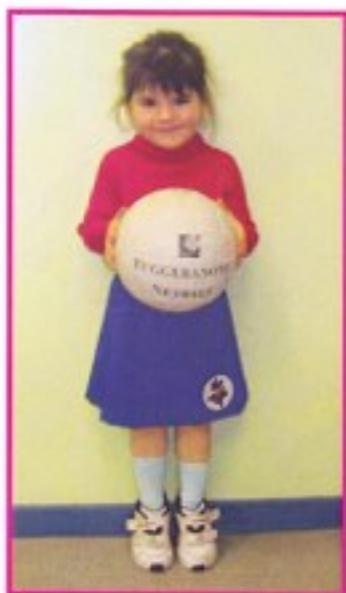

## PRESIDENTS REPORT

club over many years and continue to do so. On behalf of all the members of the Maddies Netball Club thank you both for all of your hard work within the Club. As a result you have been honoured by the club and join a very select group of dedicated Maddies Life Members. Thanks for your commitment to the players over the years and we hope that you can continue long into the future.

Lastly I would like to thank our sponsors, again this year Maddies has been very fortunate to have such a wonderful group of sponsors whose contribution to the club have greatly assisted in the administration of the club and support to the players. Without your continued assistance it would be impossible to provide the level of support that Maddies players and officials enjoy throughout the season and at presentations. During the year the Acumen Alliance provided our coaches bags and kits while Canon Pty Ltd has been a major sponsor again this year in providing our year book, Valley Homes and Gardens again provided assistance with our trophies and the Vikings Rugby Union Club has contributed greatly to the cost of our Presentation Day again this year. A special thanks to you all and I urge all of our members to get behind our sponsors and support them as well.

In my second year as President of Maddies I have again enjoyed your support and friendship throughout the season and I look forward to seeing you all back again for season 2006.

Dave Tronerud  
President – Maddies Netball Club

Kiara was our very own 'Maddie's Mascot' this year.

Grace Ephraums was our youngest player and Gillian Duffy our most senior player.

## UMPIRE'S SCENE

Another great year for Maddies Umpires. There has been a huge commitment by many and a wonderful continued effort throughout the year from all our Umpires. We lost a couple from our panel of last year but had the very good fortune to have John King and Bernie Hay join Maddies to provide a panel of umpires that is second to none in the competition. All of our 13 teams have had a dedicated umpire every week for the whole season. Maddies Umpires have also provided great support to other teams and Clubs throughout the year such as the Hot Chillies, the Harman Hoggets and the ACT Schoolgirls PSSA team.

I would like to thank Sara Driver and Neil Mulherin for getting up early each Saturday to support our Junior teams. Sara puts her hand up for all these jobs while Neil's commitment to umpiring and the club continues to grow into bigger and better things as the years pass. Our younger players can only get better with people like you looking after them, thanks for a great season.

Our Inters and Senior teams were extremely well supported by a great panel of umpires consisting of Lynley Parker, Jennifer Goodwin, Anne McCauley, John King, Bernie Hay, Séan Roche and Dave Tronerud with support from Ellie Leiper, Nat Foley and Emma Cargill in the early part of the year. All of these wonderful people participated in a roster that saw some of them umpiring up to four games each week.

Séan Roche carried on his commitment to the TNA again this year as the Junior Umpires Coordinator. This role combined with umpiring and coaching during the day for Maddies meant that he was at the courts very early each Saturday and home very late in the evening. Séan we thank you sincerely for your continued support to the Maddies Netball Club.

The commitment by some of our members to the club is very well highlighted in our umpires. Not only do they front up each week to do this sometimes, thankless job but several of them also coach Maddies teams as well. Sara Driver, John King, Bernie Hay, Séan Roche and early on in the season Ellie Leiper committed to both umpiring and coaching with each of them having a successful and very busy year.

Again this year, one of the things that I enjoyed as the Maddies Umpires Coordinator was to see several of our up and coming young star players giving back something to the younger players in the TNA competition. Players such as, Jessica Crimmins, Jess Brophy and Ellie Leiper, umpire for other clubs and school teams and do Maddies proud each week as wonderful ambassador's for our club.

I would also like to make a special mention of Sarah Ciuffetelli who has become a very accomplished young umpire in the space of one season. Sarah has been learning her skills each week as an umpire for a grade three and a grade four school team. It is wonderful to see young people like Sarah getting involved and I would like to say thanks to Sara Driver and Bernie Hay for taking a special interest in the development of the young (and sometimes older) umpires in our club.

Again, this has been a great year for Maddies and a huge part of that can be attributed to our wonderful group of umpires and their dedication to the sport and the Club. Thank you

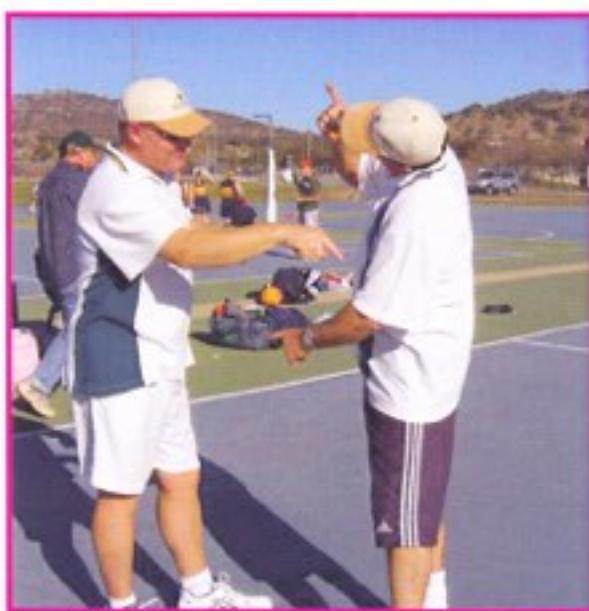

all on behalf of Maddies Netball Club again for your willingness to get involved and we hope to see you all again next season.

<b>Club member of the Year</b>	Kim Crimmins
<b>Umpire Encouragement</b>	Lynley Parker
<b>Family of the Year</b>	Mulherin Family
<b>Crazy Critter</b>	Georgia Hughes
<b>Spit the Dummy</b>	Dave Tronerud
<b>Presidents Award</b>	Jess Brophy

## **Erica Lauchland Inugural Trophy** *For contribution to TNA*

Kirsten Duffy received the Tuggeranong Netball Association's Erica Lauchland Inaugural Trophy for 2005.

The TNA Executive voted that Kirsten was the most deserving recipient of this trophy due to the following;

Kirsten displayed outstanding leadership in her role as Captain of the TNA Division 2 team competing in the ACTNA Senior Elite competition. She was a great captain who gave her fellow team members support and encouragement on and off court. She was also very supportive of her coach. Kirsten had an outstanding season in the role of Goal Attack/Goal shooter, and her form greatly assisted the team in making the Grandfinal.

Another of her achievements is her outstanding contribution to TNA Junior Representative Teams as a coach for many seasons, and again Kirsten shows great support and encouragement to all her team members.

Lastly, Kirsten has also stepped up to become one of TNA's youngest committee members in taking on the Intermediate Convenor's role in 2005, and again provided great support and assistance to all teams competing in this competition.

Kirsten has always been a valued member of the Association, and the above achievements and contribution are valued by the Association, and it is hoped that she continues her involvement with TNA for many more years to come.

## **Life Members Trophy** *Awarded by Maddies Life Members for outstanding service to the Maddies Netball Club.*

The current Life Members of Maddies have chosen to award this trophy to two people who consistently show outstanding dedication to the Maddies Netball Club. They give of their time freely and with enthusiasm, and always display the character and attitude that exemplifies what the club stands for.

It is with great delight that the Life Members of the club award the first Life Members trophy to Kerry and Dave Tronerud.

## Family Affair

Again, this year we had many groups of sisters wearing our Club colours.  
(even at Fun Net)

Georgia, Tegan & Ashlee Hughes

Jessica, Hayley & Danielle Crimmins

Grace & Rebecca Ephraums

Amanda, Maddie & Tamara Bond

Amanda & Becky Mulherin

Kirsten & Gillian Duffy

Sarah & Kiara Ciuffetelli

Lauren & Allyce Stephen

*Maddies*

## Family Affair

Emma & Lauren Pennifold

Nicole & Grace Terry

Jessica & Rachel Fortune

Allison & Rachel Treglown

Katelyn & Belinda Goodwin

Jessica & Emily Hardie

Melissa & Jennifer Smith

## LIFE MEMBERS

In 2004 we are awarding Life Membership of *Maddies* to:

Kirsten Duffy

Jen Bateman

Kirsten and Jen join the following people who have been awarded life membership in previous years:

**Erica Lauchland**

**Lyn Maclay**

Jessica Bain  
Ashlee Hughes  
Louisa Spokes  
Michaley Phokos  
Ellie Scanlon  
Emma Cutting  
Nicole Kidman  
Lyndsey Simcoe**

Ode to

*Maddies*

Netball Club

United we stand,  
As one we would fall.  
And so our special Club,  
Is the greatest joy of all.

At the Calwell Pavillion,  
Proudly each week we play.  
Hearing all the comments,  
The envious passerby's say.

Never is there an insult,  
Against our friend filled club.  
Always admiration and praise,  
Else they would get thumped.

For through any whinging,  
It remains to be said:  
A deep seated loyalty,  
Lies within every head.

And every time we pass,  
Another one of our lot.  
There's smiles all around,  
If we know them or not.

We'll cheer for all our teams,  
That play on as we pass.  
Share with them their victories,  
Urge them on with our hearts.

Metros, Mystics, Merangomas,  
Mashpotatoes, Mini's small.  
We're all part of the 'M' team,  
Shining through Netball.

Coaches and players of course,  
And there's umpires too.  
Scorers and managers,  
Parents; they're not few.

But behind the scenes,  
There's a volunteer crowd.  
Without whom the club,  
Would never be around.

Too many to mention,  
We know and love them all.  
Anny Erica especially,  
Who sells raffle tickets galore.

Play for everyone behind you,  
Wear pink and blue with pride.  
Remember you're a *Maddies* member,  
And hold your head up high.

United we stand,  
As one we would fall.  
Thanks to loving friends,  
*Maddies* is the greatest club of all.

By Lucy Goldby, 1999

## Year 6 Maidens

**Coaches:** Allyce Stephen & Ellie Scanlon

**Manager:** Johanna Roebuck

**Umpire:** Sara Driver

**GRACE EPHRAUMS** – Grace is our youngest player in Maddies and was a pleasure to coach she has a lot of talent and determination; she can read play and is as quick as a flash. Grace was one of our main centre court players she was fantastic and would give 100% every game.

Grace would have a bag of lollies before every game and we were amazed that she didn't get a stitch or feel sick after running up and down the court.

Grace is an awesome player and has a bright future ahead of her in netball, good work Grace keep it up.

**ASHLEY MALONEY** – Ashley is one of our main shooters she works well around the circle and shoots well; she improved dramatically during the season and has done so well. Ashley was willing to learn and was up for a good time at training. She had great movement and a great shooting percentage. It was a lot of fun teaching you and we had a great time good luck next year and keep on going.

Keep practicing shooting and have fun.

**AIMEE BARRY** – Aimee was one of our main centre court players although she can play defence really well even though she does not think so. Aimee would intercept the ball left,

right and centre and would stay with her opponent the whole time she was only little but man she could run.

Aimee had a fantastic season and did great wherever she played, Aimee was easy going and most of the time would listen and learn.

Aimee we are so glad we coached you; you are a great player and keep going with netball because you're great.

**DEANA SMITH** – Deana was our little defender she was awesome although she was not the tallest she still reached for the ball and got quite a lot of intercepts, she listened and was one of our quieter players.

Deana would move for the ball and passed well. Deana was always happy and always ready to play, she would do her best all the times and would do whatever she could to defend that ball.

Well done Deana great work, keep going you did really well. Good luck next year, it was a pleasure to coach you, well done Deana.

**TORI ROEBUCK** – Tori was our main defender she was fantastic although she wanted to play in another position other than GK or GD she was our main defender and we needed her in there to defend and she did an awesome job at it.

Tori was great to coach she would listen and would have fun too, we really enjoyed coaching you Tori you are a great defender.

Tori would encourage her team-mates to keep going, and is a great netball player, keep it up Tori. Good luck next year and hope you enjoy it just as much as you did this year.

**JESSICA JIMENEZ** – Jess is an amazing centre court player and an awesome GA. She can run like crazy. She has amazing court awareness and can always be relied upon to lead into open spaces. She is always there, were the ball is, contesting for the ball trying to intercept, and most of the time succeeds beautifully. Jess maybe short but she is a great shooter. It has been a pleasure coaching you. Keep up the great work Jess.

**KAITLIN REEDY** – Kaitlin is a great centre court player. She is an awesome C and WA because her ball skills are improving all the time. She catches and passes strongly and most accurately. She always trains with enthusiasm and enjoys a challenge of learning new skills. She can be relied upon to help bring the ball down.

Keep up the good work, good luck next year and we hope you keep enjoying your netball.

**OLIVIA DRAGISIC** – Olivia is one of our great defenders. She was able to pull the ball out from nowhere and could be relied on to get those rebounds because of her wonderful height and long arms. Her positioning enabled her to take some great intercepts.

Olivia always had a smile on her face even when she was put out of play. We could always rely on her to brighten up our mornings with that beautiful smile.

Awesome work Olivia. You're great.

**ROMY BATTISTA** – Romy was another of our great defenders. Even though Romy was our main WD we could always rely on her to fit into any position needed and give it all she had. She got some fantastic intercepts and always stayed with her player. She is a positive team member who puts in lots of effort at training and was a pleasure to coach.

Best of luck for next year Romy. Fantastic Season!

**SHANNON DAN** – Shannon is an awesome goal shooter. She is probably our most accurate shooter and with her starting to position herself well in the circle to receive the ball, we could always rely on her to put those shots up because there was a big chance

she would get it in. Thanks for your enthusiasm and hard work at training. Keep up the awesome shooting and always remember " Just take your time".  
Well done Shannon and good luck next year!

## Yr 6 Milkshakes

**Coach:** Jessica Brophy, Ellie Leiper, Ashlee Tronerud and Jess Crimmins

**Manager:** Jo Stephen

**Umpire:** Neil Mulherin

**BECKY MULHERIN** – Becky started off as a centre court and defender, when we thought for a change we would put her in shooter. Becky's shots just kept going through the hoop. Even though she is only a short player she always seems to get around the defenders. Becky is a much-loved member of the team; she always encourages her team-mates and always performs to the best of her ability. Becky understands the game play very well and is always there to pull in a great intercept at crucial times during the game. Keep up the good work Becky; you have had an awesome season.

**BELINDA GOODWIN** – Belinda is a player that has improved her playing ability so much this season. Her defence is stronger and her skills have improved each week. She is our circle defender along with Shannon and Amy and they all work very well together. Although Belinda is one of the quiet ones of the team she gets along with the girls very well. Belinda works really hard each week and has steadily become more confident each week. You have had a really great season Belinda and I wish you all the luck in the future.

**GEORGIA HUGHES** – Georgia is one of the loud ones of the team. Georgia is always keen to try new things and always keeps things positive. She is a very strong centre court, getting lots of intercepts and feeding it into the shooters. She works very well with the team and if someone doesn't get a drill right the first time Georgia is always the first to tell her how it should be done. Georgia is always full of chatter and is happy to talk to anyone who wants to listen and is clearly a much-loved member of the team. Thanks for a really great season, all the best for next year.

**AMY PRENTICE** – Amy is one of our strong defenders. She works very well in the circle with Shannon and Belinda. Although she isn't as loud as some of the other girls Amy always speaks up whenever she thinks there is a problem that can be fixed on court. She pulls these amazing intercepts out of nowhere and it's unbelievable to watch. Amy is a very dedicated and serious member of our team and we all enjoy watching you play in your favourite defence role each week. Amy, you have a lot of potential and you are a really great defender. Well done on a great season.

**LAUREN PENNIFOLD** – This young lady is relatively new to netball coming to Maddies last year. Before this Lauren had never stepped onto a netball court and no-one from the sidelines would know that looking at how she plays on the court. Lauren might be pint sized but she is a fantastic mover and shaker in the centre court positions. Lauren's pass is amazing and is easily one of the fastest and strongest in our Milkshakes Team. Lauren is a quiet member of our team but is a great listener and is always keen to learn new skills. Thank you for a great season Lauren you are a great player and we hope you continue to play netball for Maddies.

**ELISE DALY** – Elise is another one of these great little surprises on the court. Elise reminds us all of a little Energiser Bunny that keeps on going regardless of how tired she is. Elise is a great centre court back up and really puts in 100% each time she steps onto the court. She is happy to play centre court attack and defence and has been required to play both quite a lot during the season. Elise is a keen netballer and we hope that she continues to play netball as she has improved each and every week this season. Congratulations on a great season Elise you have done a great job.

**JESSICA HARDIE** – Jessica is one of the most energetic players in the Milkshake team. Wherever Jess is asked to play she tries her best and does so with skill and determination. From defender to shooter, Jess shows us how she can bring the ball down the court with great passes and awesome leads. Jess's ability to read the play and lead to the open spaces is exceptional. Jess's capability to pick off intercepts, and then convert them into goals is amazing to watch. Jess has a very promising future in netball and I hope to be able to coach you again in the future. Well done Jess on a great season!

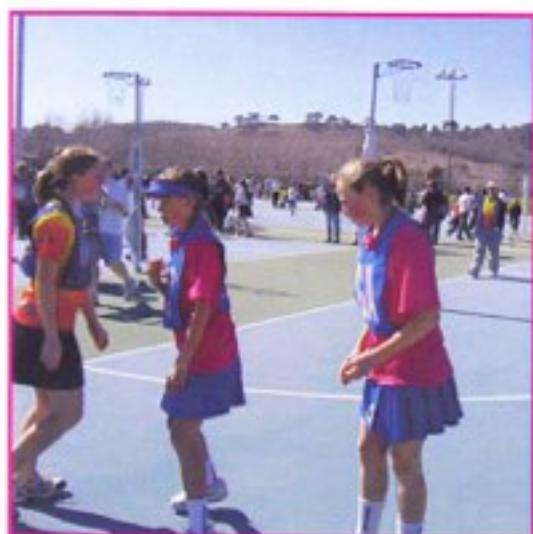

**TESS COOPER** – Tess has the best shoulder pass I have seen in a player of her age. The speed and accuracy that Tess is able to put behind her passes is amazing. Tess is a great feeder into the circle and as a shooter; her accuracy is a great asset to the team. Tess has the ability to get lots of intercepts when she plays in the defensive end, and always puts in 100% effort. Tess is a thinking player who reads the game very well, she always seems to be able to make something out of nothing. Tess has some great skills, and a great future of netball ahead of her, keep up the good work Tess!

**SHANNON JONES** – Shannon is the tallest of all the milkshakes, and is a great asset to the team. Her strong defense and ability to jump high to get the rebounds is great. Shannon plays awesome in the defensive circle and is always putting in her best effort to get every rebound and intercept that comes her way. Shannon is an encouraging player who is willing to help out at trainings, and always does what is asked of her. Shannon has

some great skills and is always willing to learn more. Shannon takes in what we tell her and makes a huge effort to deliver. Well done Shannon on a great season.

**LAUREN STEPHEN** – Lauren is the other half of our shooting duo. Lauren has played consistently well all season and her shooting accuracy just seems to improve each week. Her movement within the circle is great to watch and she never gives in – she even rebounds her own shots, which is a great asset to have at an early age. Lauren is a friendly member of the team and always has a big smile on her dial. She is happy to play wherever we needed her and we hope she continues her netball career. You have had a great season Lauren well done and see you next season.

## Mischief

### Intermediates Division 3

**Coach:** John King, Melinda Ashworth and Bernie Hay

**Manager:** Lorraine Fortune

**Umpire:** Bernie Hay

All Maddies Mischief team members are new to the club this year. All of them needed to learn the other members playing style which was a big ask from such a young side. As this was my first year as an assistant coach and member of Maddies I was not sure of what to expect and quickly had to put into practice what I had learnt at the coaching clinics. As all coaches do we had to evaluate the players and see what their best positions were. Head coach (Melinda Ashworth) headed off to become a mum halfway through the season and realised I had to coach them myself.

I knew the day was coming but then it came so quickly. Although I was by myself, I was not alone as I soon found out that Maddies is a big family and I could go to other more experienced coaches for help.

As the season went on I could see the improvement the girls were making, their skills progressed but still I felt that there was something missing. So I called on someone who I knew could help develop the girls and at the same time develop my skills as a coach and as an umpire, thanks heaps Bernie.

Bernie wasted no time in assisting me when she could. Bernie takes training seriously and the girls benefited from the discipline Bernie sometimes dished out. Well done to all.

It has been an interesting first year at Maddies and we are all proud to be a part of it. Well done to all the girls as I know they can only become better from here. To the parents I

thank you for your support and encouragement throughout the year and a special thank you to Lorraine for managing the girls. I hope you are all with us next year, to see the girl's progress to the next stage and level of netball.

**RACHEL FORTUNE** – Rachel was one of our centre court attacking players and was like a rabbit in a field she was everywhere. As her confidence grew so did her ability to read her opponent and at times. Sometimes I thought Rachel was there to brighten up everyone's day with the little bit of glitter she'd wear to one side of her eye. Rachel was a guinea pig for me at training and took the challenge with ease. Well done Rachel!

**DANIELLE DOWNIE** – Danielle was primarily our Goal Attack although she had height she also had the knack for shooting too. I also used Danielle as a Goal Defender because of her height, at first she did not understand why we had put her there but it soon became apparent to her as to why she was there but she just could not wait till she got back to shooting. Keep on shooting well.

**JENNIFER SMITH** – The first and more conservative of our twins. Jen is another of our attacking players. Jen can shoot, attack and at times read the play, Jen will always do what you want and then ask a question to make sure she has it right. She will go into any position you ask her to go into without giving a second thought and frowned upon herself if she has a bad game. Well done Jen good luck next year.

**MELISSA SMITH** – The second half of the twins and little miss red cordial girl as I like to call her as she is always talking at a hundred miles an hour. Mel is our Wing Defence you have done very well this year and can only exceed your talent next year. Mel is a go getter of the ball and like her sister was hard on herself. Well done Mel good luck for next year.

**CHRISSY CARGILL** – At the start of the season Chrissy had a problem with stepping as she would over balance and drag her leg. Chrissy could not understand why she was doing it or how to overcome it so Melinda put in place a remedy and with that, Chrissy has overcome the balancing woes. Chrissy initially started out as a centre court player but as we had so many of them we decided to put her into defence and have worked well. Keep going Chrissy and keep practicing for centre court, well done.

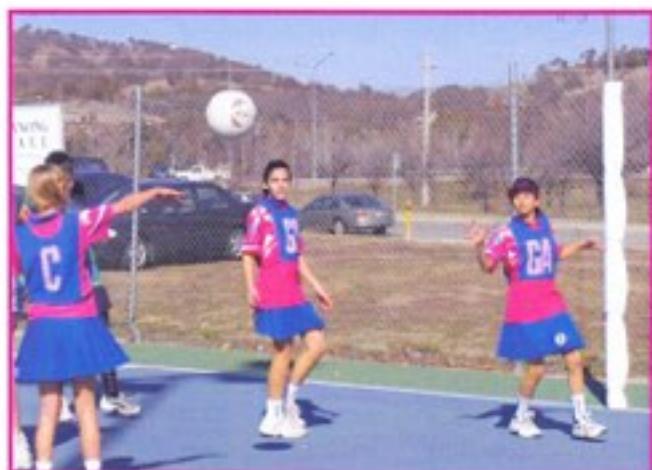

**JESSICA DORMAN** – What a cheeky little bugger this one is. Jessica is one who always looks like the Cheshire cat with that mischievous look on her face. Jessica wanted to try almost every position on the court. Jess loves to attack the ball and has a real instinct of knowing when to break for the ball. Well done Jess, it was a pleasure to coach you.

**CHELSEA WILLIAMSON** – What a talker she is, no joke Chelsea can talk the leg off an iron chair. Chelsea is one of our attackers and defenders of the centre court and a really quick off the mark attack, Chelsea is a utility player and can adapt to any centre court position well done Chelsea and keep up the good work.

**KATHY ELIOPoulos** – Kathy is a quiet member of the team and needed a bit of coaxing out of the shell at the start of the season and has progressed nicely, in attack or defence Kathy will always put in 110% on game day. I see Kathy as the baby of the team and at time you just want to wrap her up and keep her safe from the bigger girls. Well done Kathy you are progressing nicely.

**SUSANNAH THEODOSIOU** – Susannah is such a please to coach and to watch play. She has not once been down hearted of what position she went to and always listened at training. Although Susannah is quiet I can't help but feel there is a tiger inside her that's just bursting to come out. Well done Susannah.

**ASHLEIGH SMITH** – Ashleigh is our Goal Keeper she has height and she has reach and can use it to her advantage when she wants to. Ashleigh seems to be too timid on court but if she lets herself go she could become a great goal keeper in the future, Don't hold back Ash as you have a lot of potential. (Always remember what Bernie said), Well done.

## Mayhem

### Intermediates Division 3

**Coach:** Kim Crimmins and Ashlee Tronerud

**Manager:** Amanda Fowler

**Umpire:** David Tronerud

## Premiers 2005

If I had been allocated enough room in this year book I would have written a piece on each and every girl, who they played, who did what on court and how I thought it would turn out. In my wildest dreams I seriously didn't think this pint sized team would come first in the competition as to look at us taking the court you could almost forgive our opposition for laughing at us because we were TINY compared to all the rest. The only reason they stopped laughing was because they realised at the first centre pass that although little, they were **AWESOME** players...The only "giants" in our team are our Defenders Chloe and Courtney and they played their hearts out each and every week. Maigs, Amy, Rachel and Ellie were probably the next tallest and excelled each week in whatever position they were given. And last but not least were our real littlies in Gracie, Mariana, Laura, and Sarah. These girls rallied around each week and were just mind blowing to watch on court. I would like to say a very big "thankyou" to all our parents and supporters, your support has been fantastic throughout the season and a very special mention also goes to Amanda for being a terrific manager as she had everything under control for me each week and we couldn't have done it without her organisational skills (and lollies). This year also saw me take on an assistant for the first time in Ashlee Tronerud. I think everyone would agree that Ash was a great coach and quickly made friendships with all the girls.

Ash was always reliable and I was impressed watching the gradual change from being shy and unsure to a strong and confident coach towards the end of the season. Thank you Ash for being a great assistant we've had loads of fun but now that the apprenticeship is over you're on your own next year!!!! – Kimmie Crimmins xxx

**P.S** I was also told I had to leave some pages for the other coaches at Maddies to write up their pen pics on their girls so here are the **condensed** versions of mine and Ash's Pen Pics.....

**GRACE TERRY** – Little Gracie as she is affectionately known to everyone who knows her is one of the speediest little Centre Courters I have seen in many years. Gracie is always willing to listen and assist anywhere on the court regardless of position. We have even had the pleasure of putting her in to the Goal Shooting role a couple of times this season and thoroughly enjoyed watching her shoot a few hoops. Gracie has an amazing ability to pull passes from the middle of nowhere and then offload in the blink of an eye. She reads the play perfectly and is a wonderful support to the goalers who look to her for that quick pass. Gracie is a wonderful player and it has been an absolute pleasure to have her in our team.

**MAIGAN FOWLER** – Maigs was primarily chosen to fulfil the role as a shooter with Mayhem this season. Circumstances saw Maigs have a go in the defensive role and what a fantastic job she did both ends. Maigs showed us all that her talents lie all over the court, and not just as a shooter. She played brilliantly all season and it was a pleasure to watch her shooting stats improve each and every week. Her enthusiasm to get that ball was infectious and we would find ourselves yelling out "get back, too high" for most of the season. She just loves to get in and have a go, which is fantastic to see. Maigs always put in 110% effort when on the court and her skilful moves and accurate shooting stats make her one of the best forwards in the game.

**SARAH CIUFFETELLI** – Sarah would have to be one of the smallest players in our team but in saying that she plays the game as if she is 10 foot tall. Ciuffo places herself on the court in the most amazing positions and I have loved watching her pull in countless intercepts. Ciuffo has a natural ability in the Centre Court and her passing of the ball would have to be one of the strongest in the comp. For someone so little she can place that perfect pass every time especially linking the defence to the attacking end of the court. Ciuffo is another one that can play any position (except maybe GK) and will have a go at shooter and WD at the drop of a hat. She always has a smile on her dial and is a laugh to be around. She is a well liked and respected member of Mayhem - so well done on a great season Sarah we love ya!!!!

**CHLOE DRAYTON** – Young Chloe Drayton would have to be one of the finds of the year. Chloe has steadily improved each and every week during the winter comp and her defensive position within our team is so highly valued we truly missed her on a couple of occasions she couldn't play due to illness. Her ability to pull in intercepts and her understanding of the Defensive end has seen her become an amazing player that is a delight to watch. Another one of her qualities is that never gives up. Chloe puts in 110% effort on court each week and is a coach's delight as she listens intently to everything we say to her and then takes it to the court. Thank you Chloe for your dedication and commitment you are a great player and I hope our paths cross again in the future.

**RACHEL LALLIARD** – Rachel joined the Maddies team primarily as a defender (although she would probably dispute this) but what I can safely say is that she is a definite all rounder. Rachel has played starring roles in Defence, Centre Court and Shooting just to

name a few and how great is this young gun to watch and coach!!! Rachel has put in a fantastic effort throughout the season and although she gets frustrated with herself at times I always know we can rely on her to bring home the goods. Rachel has an infectious personality and has continually amused her team mates with her happy disposition and usually always has a smile on her dial. Rachel has had a wonderful first season at Maddies and we know she will continue to enjoy her Netty whilst she plays with her good mates on and off the court.

**DANIELLE CRIMMINS** – Ellie would have to be one of the most versatile players in our Mayhem team, and can play anywhere on court. She does this with determination and a load of skill to go with it. She started in our team as one of our shooters, and doing a fantastic job at that. Ellie was moved around from shooter to WD, and she knew exactly what to do and when to do it at all times. She is a pleasure to watch as a young and up coming netballer, and I am sure that she will grow to love the game even more, than she obviously already does. Ellie's ability to read the play and her encouragement on and off the court to her teammates is astounding, well done Ellie, you have done a fabulous job this year!!

**MARIANA LAUC** – Mariana is another small yet highly skilled player in our team. Her fitness and desire for the game of netball combine well to create a fantastic player. Mariana fights for every ball and comes off the court with not only a great big smile, but red cheeks too, so we can always tell that she has worked very hard. Her ability to see the open space on court and lead there is exceptional; she is a great asset to the team. Mariana's friendly personality is also a plus in the team. She is a star in the making is what you could say about Mariana, and she has definitely proved to everyone that you don't have to be tall to be a great player. Well done Mariana, and keep up the good work!!

**LAURA KING** – Lau Lau is one of the quiet achievers in our team, who even though is another small player, she makes up for it with her speed. Her fireball passes and her determination to get every loose ball makes her a fabulous young netballer. She is the smallest intercepting machine ever made, and is an asset to our team. Because of her height, Laura has learnt a lot of new skills at training to help her with her tall defenders. She has applied them in game situations and has played fabulously making most tall defenders look lost. Laura's style of netball is amazing to watch, coming out of no where to get intercepts and chasing down every loose ball makes her such an asset in our Mayhem team... Well done Lau Lau, great work!!

**COURTNEY ROWLEY** – Courtney is one of the few tall girls in the team, and having her with us this year in Mayhem has been a delight. Seeing Courtney blossom from a quiet and shy person to the beautiful player that she is today has been outstanding. There aren't too many players that I know of that enjoys playing GK more than GD. Where ever Courtney plays in the defensive end, she keeps her player away from the ball and shuts them out of the game completely. One of Courtney's specialties on court is when she has two shooters to defend at once, but still manages to get that intercept. To count the intercepts and rebounds that Courtney achieves for the team is impossible on ten fingers. Courtney, it has been a pleasure coaching you this season, and I hope you continue your netty into the future.

**AMY HOLDER** – Amy's accuracy and strength in the shooting end has been excellent this year. Reading the play is one of the most important things that a shooter has to be able to do, and Amy has a great ability to do this. Her leads from the baseline, her holding and her wonderful shooting amalgamate to produce a star player, who combines well with everyone on the team. There is a lot of pressure on the shooters to get their goals in, but

the pressure isn't a worry for Amy, as she has wonderful stats at the end of each game. The improvement in her holding technique has helped Amy grow as a shooter, and it is easy to see that she is going to have a future in her netball career and at Maddies.

## Menace

### Intermediate Division 2

**Coach:** Séan Roach  
**Manager:** Liz Treglown  
**Umpire:** Jennifer Goodwin

**RACHEL TREGLOWN** – Rachel has had an impressive season in the defensive end of the court. She reads the game well, makes intercepts, creates turnovers and always fully commits when contesting. Her quick court coverage enabled her to drive forward in attack and reoffer in support. She is at her best as a circle defender but also played a mean WD.

**ALLISON TREGLOWN** – Ali has been very effective in both the defensive and attacking circles this season and has had a run at WD. Alert and quick thinking, she has shut down many opposition attacking moves at GD. As a GA/GK she is very effective and seems to be surprised and delighted by every goal she scores.

**LOUISE KELLY** – Lou has been one of the pillars of defence for the team the whole season. Specialising at GD she has also had runs at GK and WD. Lou is a quick, strong netballer who is always thinking and has a 'don't hold back' approach to her play. With a lovely hold over the ball and nice technique in defending her player, she has made a valuable contribution to the success of Menace this year.

**TEGAN HUGHES (Captain)** – Playing in the centre court, Tegan has put in great efforts in C, WD and WA. She is a controlled and skilful player and provided the important cohesion between the attacking and defending circles. Her long reach and quick court coverage help to stifle many opposition attacking moves and she was quick to the circle to feed and

support the shooters. As team captain, Tegan has led by example and can be very satisfied with both her own and Menace's performance for 2005.

**KATELYN GOODWIN** – One of our quieter team members, Kate has fitted into the team beautifully as specialist GK with the occasional run at GD. Her skills developed as the season progressed and her 3 feet, hold and hands over the ball are a template for other players. GK is a difficult position to specialise in but Kate has demonstrated how great defence can turn a match in your favour. Even when her mum was KO'd by a netball travelling at bullet speed and had to be taken to hospital by ambulance, she was determined to finish the match and not let the team down.

**HAYLEY FENELEY (Vice Captain)** – Hayley is an integral part of an effective centre court line up and has had a very good season, specialising in WA. She is quiet and unassuming but is always in the right place at the right time on court. Hayley perceives the play very well, taking in the whole of the court, and seems to be one step ahead of most other players. Her defence is very effective and her support on the shooting circle is always well positioned and alert.

**CHLOE CAMERON** – Chloe is one half of the Giggling Gerties shooting duo. Almost exclusively our GS, she has lovely long range accuracy and is not afraid to drive up and down the baseline. With Rebekah, she is prone to laughing fits when things don't go quite right, especially at training. Chloe has a nice sense of position in the circle and will keep working until she thinks she is in the right shooting position. Her overall accuracy for the season helped the team make it into the finals play-offs for 2005.

**REBEKAH BROWN** – Giggling Gertie number 2, Rebekah is, if anything, worse than Chloe. She can be an absolute gumby at training, which cracks her up as much as anyone else. On the court, Rebekah has worked hard at GA and has had some brilliant games. Her teaming with Chloe has developed a great understanding and some of their moving and passing is delightful to watch. She too has good overall shooting percentages and has contributed greatly to the team going as far as it did.

**AIMEE BAKER** – Aimee is our utility player, filling in as and when she is needed. This season she has played C, WA, GA, GS and I think a run at WD. Her positioning and timing are great and her support for other players up and down the court has been one of the outstanding features of her play. Aimee is fantastic at setting up her circle partner and her accuracy is developing beautifully.

## Monsters

### Intermediates Division 2

**Coaches:** Kirsten Duffy and Michaley Phokos

**Manager:** Katrina Anderson

**Umpire:** Ellie Leiper and Lynley Parker

## Premiers 2005

Having coached most of these girls before in Rep, I knew what I was getting myself into this season but I'm not sure Michaley did. They didn't let us down, Michaley and I had a great time coaching them!! They are a very talented bunch of girls who just need to believe in themselves a little bit more, (just because the other team are all taller doesn't necessarily make them a better skilled team). These girls always had stories to tell which meant that most of our training sessions were spent listening and 'bonding' instead of training.

We would like to give Katrina a **BIG** thanks for being our great manager and to all the parents who came to watch the girls every week and pick MVPs. Also we would like to thank our two umpires this season, Ellie Leiper and Lynley Parker.

**CLAIRE BOYTON** – 'The energiser bunny that keeps going and going and going'. Claire puts in 110% effort both during training and in a game and it certainly shows on court. Claire always listens to our advice and takes it out to the court and tries to apply it to the game. She is always full of energy so it is not hard for her to get away from the defender with some great moves in to the goal circle.

**KRISTEN SMITH** – Kristen is one of our versatile players, who was asked to play out of position most games and she did this without any complaints and played to her best.

Kristen's preferred position is at the shooting end but she backed up for us in defence and did a beautiful job at it. Kristen reads the play very well and is great along the baseline.

**EMMA PENNIFOLD** – Emma was the newcomer to Netball this season but played like she had been playing for years. She has a natural ability and is a very talented player. Each week Em's skills improved and she gained more confidence to try out new positions. At the beginning of the season Emma wouldn't leave the shooting circle. By the end of the season we had her playing both ends of the court.

**NICOLE RICH** – Nicole is our shortest team member and would have to be the quietest one as well. Her height, or lack of it, doesn't stop her on court. She always finds a way to get rid of her player by changing direction constantly and trying new moves; whatever she had to do to receive the ball. She always put 110% effort in and her efforts certainly showed on court.

**LIZZY PHILIPPA** – At training if Lizzy were paired up with either Emily or Chloe they would spend the whole time gossiping. Lizzy is another of our versatile players who was asked to play out of position each week and did it without any complaints. She was one of our back up shooters, with a unique style but the shots went in so I'm not going to complain. Lizzy backed up to play mainly in the Wing Dinger and WA position as well.

**HAYLEY CRIMMINS** – Hayley played mainly in the 'C' position this season. She is the type of player that will put every ounce of effort into her game, not only in attack but also in defence down the court. This always paid off, with multiple intercepts throughout the season. Hayley built up a great combination with the shooters feeding them great balls into the circle.

**EMILY GUBLER** – Emily is a very funny girl that made us laugh with her one liner's and stories. She is another one of our great centre court players that became a pro in the 'Wing Dinger' position by the end of the season, also backing up for a run in 'C' every now and then. With her tight defence, she often gets a tip to the ball if not she takes a great intercept.

**REBEKAH AQUILAR** – Bek is one of our main defenders and does this girl work hard!!! She is our smallest defender but whatever Bek lacked in height she made up for in determination, no matter what the size of the opposition was Bek out played them every time. Bek has great hands that get lots of tips to the ball and she made lots of intercepts throughout the season. She is excellent at bringing the ball out of the defensive end when needed and is also there to back up the attack end.

**CHLOE ANDERSON** – Chloe was the other main defender in our team this season. Her ability to stick to her player and grab some great intercepts improved throughout the season and we also think she got more aggressive. Again we could count on Chloe to take a rebound (when she got her feet off the ground) or intercept **with two hands** at the right time in a game to help her team out. Chloe has magnificent composure on court and tries her best.

## Marvels

### Intermediate Division 1

**Coach:** Sara Driver  
**Manager:** Kate Mulherin  
**Umpire:** Neil Mulherin

A well-fought and very much improved season! I would like to thank my 2 managers in Kate Mulherin and Judith Ellidge for their wonderful organisational skills and keeping me in check whenever there was something that wasn't going right. I would also like to thank my umpire, Neil 'Mr Blind' Mulherin for doing a good job this year despite the looks from his daughter Amanda and me yelling at him just about every game. To the other parents, for supporting their daughters every week, it was great to see such a commitment to your child's sport. Dave Tronerud and Kimmie Crimmins for letting me coach this bunch of fantastic girls this season and last but not least, my girls, what a season we had! It was truly fun and I hope you girls have improved your fitness levels and have gained some new skills for future netball games. You were a real pleasure to coach.

**AMANDA MULHERIN (WA, GS, GA)** – The quiet yet but most noticeable of the Marvels with her height and contagious emotions. If Amanda was happy, her whole team was happy; when she was upset, it almost made her coach cry. Amanda's never-say-die commitment towards her netball was well appreciated within this team for 2005 as it resulted in a turn around for the team in every single game. Consistent positive attitude and shooting stats, Amanda was an invaluable asset to the team.

**EMILY FRASER (WA, C)** – A very reliable yet reluctant star WA! Emily's beautiful drives and fantastic takes awarded our team with ball security to score goals. Emily was never beaten on a centre pass by her opponents and her drives down the court when playing centre were graceful (in a way). Her natural athletic ability let Emily have a dominant presence on court but sometimes had to sit out because of a knee injury. However despite her injury, Emily was a valuable member on and off court to the Marvels. She was sometimes reluctant to train at the start of the season but to her credit, she came through and was one of the hardest trainers within the team.

**EMILY HARDIE (GK, GD, C)** – For someone who is reluctant to play circle defence, my good-a-ness! She plays it like she has been playing it her whole netball career! Her natural ability to simply reach and get an intercept was priceless to the team's performance this year. Her long stretch and ability to jump very high, was pivotal in the turnovers in our defence end this year. Emily's attitude towards her netball has changed into gimme-some-more within 3 weeks of playing this season, she was at every training and game with a really positive and fun loving atmosphere and it was contagious to everyone around her. I cannot count the amount of times that Emily has pulled an amazing intercept that looked near impossible to get, it was a pleasure to coach and watch. Well done on a fantastic season!

**HANNAH MILES (Vice Captain – C, WA, GS/GA)** – Little Miss 'Please-don't-put-me-in-shooter'. Someone who has a great versatility like Hannah is an excellent centre court player and can also put some shots up when required. Whether it was in C or GS, she always did her best for the team, which was a great effort and a pleasure to coach. Hannah has this never-say-die attitude also which has contributed to many turnovers within the centre court. Her presence was always known by her 'sense of humour' and ability to make effortless drives and front cuts on court. Both her efforts at trainings and games were well noticed and she should be rewarded for that. Excellent season Hannah and keep jumping for the frozen yoghurt, you will get it one day!

**LISA CHARLES (WD, GK)** – A lovely young lady with a great sense of humour. Lisa didn't always shine on court every game however, whenever the team needed a turnover she could be counted on to step up to the challenge and 'take on for the team'. Her positive thinking towards her bettering herself as a player really stood out within this team as he improved week in and week out, picking up little pieces of knowledge of the game all the time. Lisa's sense of humour and happy go lucky attitude was what helped keep the team as happy and calm as what they did this season. Lisa's game will continue to improve out of sight if she chooses to keep persisting with her netball.

**LISA VINEY (GS, GA)** – Lisa is a very persistent and calm player, who never ceases to amaze me with her ability to shoot goals from anywhere inside the circle and her ability to match her coach's size in voice ;-) Lisa is a wonderful team member who is willing to put her body on the line for her to team to get the ball to her. An injury to her hip flexors made her court time suffer a little bit however, she kept playing through the pain and to her credit, she did it fantastically. Lisa can always be counted on to get the team to talk when the coach (unfortunately) cannot; she displays natural leadership skills and was very unlucky to narrowly miss out on captaincy this year. Congratulations on an outstanding season Lisa.

**MADDIE BOND (GA, WA, C/GS)** – The youngest in the team, yet the entertainment of the team. I cannot count the number of times that Madeleine fell on her backside randomly while running; she always made the people around her laugh and could also be seen doing wacky dances in the middle of a training session. Aside from the comedy acts, Maddie was a brilliant Shooter/Centre court this season and did her best 100% of the time.

Maddie's skills like everyone else's have rocketed sky high this season and she should be very proud of the way that she has played this season. She has matured very quickly as a player and is doing is very in adapting to different game environments

**SAMANTHA WEBER** – Our champion knee slapper and regular bully on court! Just kidding, Sam's amazing aggression for the ball on the court was something that you see maybe once in a million. She is absolutely tenacious in the way that she plays it has resulted in her opposition and team mates and other various spectators have a lot of result for game. By the end of the season, the other teams' shooters knew not to go anywhere near her when leading, as they would not get the ball due to her, you would say, 'graceful' intercepts. She will be sadly missed next year if she decides to go over to Rugby Union, but we all know that she will be a key player in a Rugby team's defence.

**TONIA ELLIDGE (Captain)** – When asking around about whom to give captaincy to, it was replied straight away that it should be this young lady. I have known Tonia for nearly two years and I have not seen one player grow and excel in a sport as much as what she has. She displays excellent leadership skills by helping other players at training with drills and also leading by example on court by showing her true sportsmanship skills. Her quick reflexes and long arms have helped the team out as a result of many turnovers, and also her leads through the centre court helped our shooters out a lot too. Whether it was in the centre court, the defence circle or when the team wasn't concentrating on netball, Tonia could always be counted on to be a fantastic team member, an outstanding leader on court and to bring humour into every conversation.

**RESERVE – GRACE EPHRAUMS** – A little girl with a big talent! Little Gracie is only in year 4 and she can dodge and run better than some of the regular opposition Div 1 Intermediate players. She was there at nearly every game to support and to sit on the bench for Marvels and her hard work paid off with her being rewarded some court time as our back-up WA. She has a lot to learn and go the full distance if she keeps persisting the way that she is. Her cheerleading skills and keen interest in being Assistant Coach were a pleasure to be associated with this season and she deserves my Encouragement Award in every way. Remember to keep on doing your big shoulder passes and always reach for the stars!

## **Magic**

### Intermediate Division 1

**Coach:** Jen Bateman

**Manager:** DJ Scanlon

**Umpire:** Anne McCauley

## **Premiers 2005**

This season is probably the most fun I have had coaching so far. Not only are all the girls excellent players, but they have a great attitude towards playing and training, and also know how to have a bit of fun on the side. It has definitely been a season for mucking around and having a laugh, but when it comes to the business, the girls know where to draw the line. We have had an amazing season on court, taking out the minor premiership without being defeated, and playing some excellent netty. There is no doubt the girls deserve the title this year, but they will have to put in a big effort to go the whole way.

**AMANDA BOND** – Probably the quietest member of the team, Amanda went about her job with little fuss but with great results. Playing positions that she hasn't played for a while (probably since I last coached her), Amanda has improved extensively in her court organisation, and her feeding in the circle has been a great asset when she is playing in the attacking centre court positions. Unfortunately we lost her to injury for a few weeks, but being the loyal team member she is Amanda ventured down to all the games and most training sessions and pretended to enjoy them. Fingers crossed for a massive comeback for the finals!!!

**JESS CRIMMINS** – I think the funniest comment I have heard from the sideline this year was 'Kimmie, does Jess have Tourette's syndrome?' which I am sure most of the sideline was secretly thinking. I don't think you could meet another person with as much energy as Jess, the most frequent coaching tip that I have to use for Jess is to settle down and take a breather. Jess has been chucked from end to end this year mixing up her shooting time with quite a lot of game time in the defensive end, however no matter where you put her, you know that she'll do a great job, and you are to sure hear her voice no matter where she plays on court.

**MADDIE DEAN** – Maddie makes me laugh every time the team gets together, not always on the ball when it comes to understanding jokes, she'll spend forever trying to work it out until she finally gets it, and then she ultimately thinks everything is hilarious. This attitude follows through into her court play, always the first to ask me how to do something I have talked about, she'll try and try until she gets it spot on. Extending her skills into the attacking part of the centre court Maddie has had a season full of trying new things, even getting a few somewhat unforgettable quarters in the shooting end. Mads, maybe one day you'll get a mars bar shot in without actually cheating.

**JESS FORTUNE** – The highlight of the season came on behalf of Jess. It may be a little crude to write about but I am sure Jess and the rest of the team, especially Allyce still remember the present that Jess brought (or left) to one netball training, very funny. This was my first experience in coaching Jess and has been a blast. Jess has done a fantastic job in the defence circle and has definitely improved this season, playing a top game whenever she gets on court, unfortunately Jess doesn't always get the calls from the umps that she deserves for her hard work (they'll catch up one day). The only problem with Jess is that she is friends with too many people on all the other teams and I am constantly pulling her away from her 'social sessions' so she can warm up.

**SARAH MAZZER** – I still can't believe how tall Sarah has grown! It is quite embarrassing standing next to her. Sarah's enthusiasm for netty is astounding; she is always up for a good training session and a challenge on court. She is a very smart player and knows how to balance the court brilliantly. Sarah's biggest asset is her amazing court vision, though I still want her to get the ball onto the circle edge before trying to feed the other shooter. Although being a youngin, Sarah was picked to play for the ACT in the school girls comp this year, which is a great achievement! I can feel some good shooting stats are coming your way for the finals Sarah!

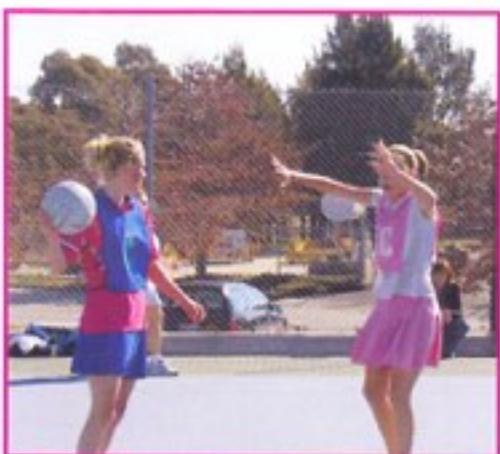

**KRISI NEDELJKOVIC** – Krisi is a surprise package, when you first see her, the images of an aggressive, strong and very talented netballer don't exactly pop into your head, but fortunately that's exactly what Krisi is. Another player to play in the ACT schoolgirls' team, Krisi has a long way to go in netball. Not only is she an extremely talented player, her attitude towards getting better is a great asset, she is always looking for a better way to do something and doesn't rest knowing that she is already a good player. Her personality holds surprises as well, a very friendly and easy going girl, some of the comments that have come from Krisi would surprise anyone, even her mother, though I and the team do find them quite amusing.

**ELLIE SCANLON** – I don't think there is a position on court that Ellie doesn't shine at, and she does it with such ease. She has an amazing ability to place a perfect pass every time for the shooters, but also has excellent intercept skills, making her the perfect centre, and what amazes me, is that she'll run the whole game in there without complaining once. I don't know if you could call Ellie 'quiet' as such, but she is definitely not as loud as some other members of the team, she seems to do a lot of her chatting when my back is turned,

and in turn avoids being roused on, however she will always join in with the girls running amuck, if not leading the mischief.

**ALLYCE STEPHEN** – Allyce has definitely improved over this season, finally her confidence is up and she is playing some great netball. Although previously when I have coached her she was a little bit quieter, this season she has really got into the mix of things and causing mischief with the best of them! The good thing about Allyce is that you know even if you tell a crap joke, she is bound to laugh at it. On court she has mainly played in the shooting circle this season, being a solid and reliable shooter, with some good shooting stats, though has dabbled in a bit of centre court, and playing a very good WA a couple of times. Hopefully Allyce has recovered fully from doing training drills with Jess F, and continues her great season into the final series.

**NIKKI TERRY** – Poor Nikki, she must be getting sick of having me as a coach, however it is always enjoyable having her in my team. Nikki found out this season what it is like to be a 'big kid' balancing work, school and netty, I am pretty sure that she came awfully close to being fired a couple of times with how many times she had to change her shifts for netball this season, but she always managed to show up. Although Nikki isn't quite the tallest member of the team, on court she never lets it stop her, she is a very smart player, and knows how to 'rough up' her opposition in her own 'cheeky' way, often it is quite amusing to watch. Always one to have a joke, Nik is always fun to be around and have a laugh with. Just make sure next season you pull up your socks when you play.

## Monarchs

Seniors B Grade

**Coach:** Melissa Winn  
**Manager:** Geni Spokes  
**Umpire:** Dave Tronerud

**ASHLEE HUGHES** – Ashlee is a very talented player; she was our main WA player all year. Ashlee reads the play very well and always provides good position and opportunities for our shooters. Ashlee was thrown into the defensive end towards the end of the season and surprised herself by deciding that she liked WD. Ashlee you had a great season, with some awesome feeds into the goal circle. Ashlee was also a player that came to every training session. Well done Ashlee and thanks for your commitment to the team.

**ALICE SOGAL** – Alice is one of our incredible defensive duo. Alice provided some awesome defence throughout the season, which only got better as the season went on. Alice chimed in regularly with some very well timed intercepts and rebounds at crucial times during games that often changed the course of a game. You have had a great season Alice and we hope to see you again next season, thankyou for your support.

**EMMA CUTTING** – Emma would have to be the quietest person on the team. She is the quiet achiever and is always one of the hardest workers on court. Emma was our regular centre court player, who played her hardest in every game and never complained. She was a run machine from the time she took the court until the end of the game. Emma has worked very hard all year and has improved in many areas of her game. Keep the good work up Emma you have been a pleasure to have on the team.

**JESSICA BAIN** – We didn't see too much game time from Jess due to work commitments and ill timed injuries, but when she did play she brought another aspect to our game. She had a talent to frustrate her opponents, which always worked in the team's favour. Jess started on the team as a shooter but quickly developed into an amazing centre court player and she enjoyed the challenge. Well done Jess, hope to see you next season.

**LYNLEY PARKER** – Lynley played a bit of everything this season and not one complaint. Lynley was our rock; she kept a level head and her cool approach in every situation, which really helped, in the tough games. Thank you for your support throughout the season I think I would have lost it without you. Lynley also brought with her the best support team cheering every week, and I am sure getting us over the line on more than one occasion. Another great season Lynley looking forward to next year.

**LOUISA SPOKES** – Lou has a 110% willingness to try anything and everything, which I really admired. Even when others would complain about doing a drill or fitness Lou would be eager to try it. Always smiling, she never stopped encouraging the rest of the team, she is a great team member who never gives up. Lou was also another player who always had support crew to cheer us on. Lou when given the chance you played really well at shooter just remember to have confidence in yourself when putting your shots up. Great work Lou, see you next season.

**MEGAN BARAN** – Megan is the other of our incredible defensive duo. I was so pleased when she decided to play again this season. Megan has great defensive skills and a really cheerful personality. In every game Megan applied great pressure on opposition feeds into the circle. She has a habit of getting intercepts and limiting opponent's chances at goal. Megan has a fantastic attitude even when she's getting pulled up by umpires; she just laughs it off and keeps the rest of the team smiling. Congratulations on a great season and also on your engagement Megan.

**SAMANTHA SCHUBERT** – Sam came to our team a couple of games into the season. She came into the team that was already crowded with attacking players but ended up making the GS position her own. Sam brought flair to our attack that was unstoppable. She brought authority and a different game plan to our circle. It was good to get the chance to play attack with you again. Great season Sam, hope to see you next year.

**MELISSA WINN** – Melissa is one of the quiet achievers in the club. She took on the awesome task of coaching a group of girls who are essentially her peers and has turned a talented group of players into a team that has finished near the top of the ladder. Melissa, as a playing coach, has combined the position of coach and player beautifully throughout the season. She has excelled under the basket and played strong roles in defence when required. Melissa has gained the admiration and support of not only her team members but from many within the club also. Melissa you have provided excellent leadership to your team and the club would hope that you consider continuing in a similar role next year.

*Melissa's written by - David Tronerud*

## Mystery

Seniors A1 Grade

**Coach:** Kylie McClung  
**Manager:** Judith Ellidge  
**Umpire:** John King

What an amazing group of netballers! I've had the privilege of watching most of these fine netballers play over the last 4 years so when Dave asked if I'd like to coach them of course I jumped at the opportunity. The team had been put together as a developing team, a group of strong intermediates that would learn and develop from playing older, stronger and wiser players or so we thought, I think our girls taught **them** a lesson or two. The girls approached every game with determination and the want to win and credit to them all by the end of the season they walked away with some convincing wins over some strong opponents. Thank you girls for a fantastic season, thank you also to the endless support from parents and friends.

**TONIA ELLIDGE (WD, C, WA)** – Tonia has approached this season with a great attitude. She has been enthusiastic at training pushing herself at all times and was finally rewarded for all her hard work. After round 6 against the very strong Mavericks, Tonia took it upon herself to start playing a more aggressive game, which resulted into numerous tips and lots of beautiful intercepts. With already a lovely 3ft and an ever growing overall understanding of court play Tonia will be an asset in any team to come. Go Tonia!

**LEAH EVANS (C, WA, GS)** – What an awesome little player! Only in the past 6 months has Leah stepped into the very important position of 'C'. Knowing that Leah is usually a shooter I was extremely impressed by her ability to make the transition so easily and to

have such an impact so quickly. She has been a real pleasure to coach and I wish her all the best in future endeavours (put your mind to it and you can achieve anything).

**JESSICA FORTUNE (GK, GD, WD)** – Jess is just great! She is one of those players who trains and plays hard at all times. With her "never die" attitude and ability to stand her ground against some very strong opponents Jess has proven to be a very important part of our defensive team. I would have to say that she was the team motivator this season always offering encouragement and ideas to her fellow teammates just another of Jess' many qualities. Thank you Jess!!

**LISA VINEY (GS, WA)** – Lisa has been the quiet achiever of the team. When I first saw Lisa play I saw a lovely netballer but she was missing one main ingredient, the real hunger for the ball. Well now when I watch Lisa play I see a determined young lady who has developed into a strong attacking player no longer allowing her opponents easy intercepts. Lisa's worked hard this season in improving her strength and accuracy with her shoulder passes and too has been rewarded for her determination and commitment. Well done Lisa!

**SARAH MAZZER (GA, GS)** – Sarah is definitely one of the most developed young players around. She has this amazing ability to pull-in the most difficult of passes and moves quickly in and around the circle which made the job for our developing centre court players just that bit easier. Sarah combined well with both Kayla and Maddie and on many occasions frustrated her much older opposition. Sarah's shooting percentage was of a high standard which is always impressive. I was also impressed by her strong defensive skills making many turnovers. All the best Sarah!

**MADDIE DEAN (GK, WD, GD)** – Always ready with a story, Maddie was thoroughly entertaining both on and off the court and a great netballer to boot. She might not be the tallest of defenders but what Maddie lacks in height she makes up for it with enthusiasm and her never quit attitude. She was always pushing herself and on many occasions made that so needed rebound or intercept. Top effort.

**KRISI NEDELJKOVIC (GD, GK)** – This is one young lady that you love to have at your defensive end. You could always rely on Krissi to get the job done. She is a very persistent player, which reflects on the amount of tips, intercepts and rebounds that she was able to make throughout a game. Krissi was also a player who offered ideas to her fellow team mates and was a valuable team member. Great season!

**MADDIE BOND (GS, WA, GA)** – Maddie is an up and coming star! Although she was the youngest on the court she never allowed it to show. Maddie played a really mature game this season, always keeping her cool and never once was intimidated by her imposing opposition. She is a confident shooter putting up shots from anywhere in the circle 99% of the time the shot went in. A pleasure Maddie.

**KAYLA MCCLUNG (GS, GA, WA)** – Kayla has played a consistent game this season, blending well with our other shooters. She has played an important role in our attacking team becoming one of our primary shooters. Kayla has a very high shooting percentage and a perfect shooting style (most of the time) making her a pleasure to watch. With a little work on her 3ft Kayla also has shown that she is able to apply that extra pressure often resulting into held balls. Well done Kaz!

**AMANDA BOND (WD, C, WA)** – Amanda unfortunately had to sit and watch the last few games of the season as she was out with a knee injury. She was greatly missed out there on the court as she is a very versatile and smart player, able to play both attack and defensive positions. Amanda moved quickly around the court making clean, strong breaks and pulling off some top intercepts. Amanda has been a joy to coach and just a real pleasure to be around. Thanks Amanda.

## Mavericks

Seniors A1 Grade

**Coach:** Nick Robinson  
**Manager:** Louise Ephraums  
**Umpire:** Séan Roche

### Premiers 2005

This season I was fortunate enough to get this great team to coach. It's probably the first time I've had a team that has so much talent right through the court.

Coaching sessions were very easy, as the skill level was so high, I was able to set a high standard and see it achieved each week.

As I write this we are approaching finals and things are looking good for us. We have only had the one loss so far and that was by only one point. It has been a very tough division and we have had to work extremely hard for our results.

The girls have continually shown maturity and professionalism in their games and I would like to congratulate them on this and hope that they continue to do so, as I'm sure they will. Thanks for this season girls, I have rediscovered the enjoyment of coaching.

**LOREN MOORE** – Loren is an awesome talent on the netball court. She is quick, has great ball handling skills and always seems to create that little bit of extra time with the ball to see the best feed into the circle. She links well with any combination and has great courage, which are essential attributes for a centre court player.

**REBECCA EPHRAUMS** – Bec is a great team member. She is so encouraging to her teammates and leads by example every week. She has a great understanding of the game and is happy to share her ideas at training and at the game. Her natural skill level is

huge; she has great reactive speed and contests every ball. She never backs out of a contest and really dominates the centre court.

**YOLANDA KOL** – Yol is a coach's dream, she can play anywhere. As a shooter she is very accurate, moves well and works well in combinations. Through centre court, she works tirelessly and links very well with her teammates. Yol has very safe hands and shows great understanding of the game with the leads she runs and the passing options she chooses.

**JESS BROPHY** – Jess has been an awesome shooter for this team. She has continually kept us in games with her accuracy. She has a great shooting action and scores many long shots because of it. Her work rate is huge in every game' she chooses great leads and is very dominant in the circle when establishing her shooting position. Always maintains a positive attitude and backs herself to hit her shots and this gives the team great confidence.

**COURTNEY WILSON** – Courtney has been a very reliable defender for us this season. It has been a tough season playing against older, bigger and more experienced shooters, but she has got on with the job and never backed out of a contest. Courtney has great understanding of positioning in the circle and always chooses good options to cut off the feed. She establishes partnerships very easily, has very safe hands and runs great attacking leads in transition.

**JESS CRIMMINS** – Gadget is a huge asset to this team. In defence or shooting noone has been able to stop her. Her commitment to the position she is playing never varies. She is very motivated on court but at the same time always provides us with a good laugh! Jess is always willing to try what I have asked her to do on court and this inspires the team to a new level on many occasions. Jess will continue to improve due to the effort she puts in, and will continue to be a great asset to Maddies teams for many years to come.

**ALLYCE STEPHEN** – Allyce has had a very good season for us. She has shot accurately and has formed a good partnership with Jess B in the circle. Allyce is very strong under the post and presents herself in strong and safe positions for the feed. She has a good shooting action and is learning how to maintain her accuracy when under intense pressure from circle defenders. A great rebounder and also a very good circle defender.

**ELLIE SCANLON** – Ellie is a strong centre court player, who can also shoot if required. But what she kept a secret was how much of a great circle defender she is! Anyway she got busted! This was the missing link for this team, we had another quality defender. She is quick on her feet, her anticipation is exceptional and this gives her the edge on the opposing shooters. She has formed a great partnership with Jess C and Courtney in the circle and this gives the team a strong foundation to build on.

**JANAY ROBINSON** – Janay is a great centre court player. She links very well with Bec and Loren which enables us to rotate the positions without losing any fire power. She has very safe hands and mistake-free footwork. She is very aware of court spacing and will always lead to the open areas to give us good options. Although one of the quieter members of the team, Janay is a great competitor and not easily intimidated.

## Marauders

Seniors A Grade

**Coach:** Wendy Amos

**Manager:** Belinda Blewitt/Kellie Driscoll

**Umpire:** John King

**CATHY AMOS** – Cathy is a strong defence player showing improvement over the season. Playing mainly in the circle she has rebounded strongly and has a long reach over the shot. Cathy passes accurately, has good vision and works well with her team-mates to clear the ball down the court following a turnover.

**ALYSSA AUDSLEY** – Alyssa is a dynamic attack player. She was always there for the centre pass, led strongly to the circle and showed accuracy when feeding to the shooters. She was also strong in defence down the court. Although Alyssa's season was unfortunately cut short, as after 4 games she was unable to play due to shin splints and stress fractures, her support for team mates was fantastic by her attendance at most games played by the team. It was great that Alyssa was able to return to the court if only for one quarter per game before the season ended. I hope that Alyssa can look forward to a full season next year.

**TAMARA BOND** – Tamara has played mainly in the shooting circle this season where her great skills have been a definite asset. She was always cool under pressure and was consistently accurate. With her speed and agility Tamara does a great baseline drive gaining great position under the ring from which to shoot. She also knows when to feed her shooting partner to improve their position.

**CHANELLE DRISCOLL** – Chantelle seems to have enjoyed her season this year, as I don't think I have ever seen her without a smile on her face! Always putting in a great effort she has had a strong season mainly in the defensive circle. Chantelle defends the opposition closely, rebounds strongly and always backs up to clear the ball down the court.

**SARA DRIVER** – Sara has a great deal of skill and knowledge she could bring to the team. She has displayed accurate shooting skills, holds strongly for the lob pass into the circle and moves well in the circle. She has also played a few games as wing attack where she has played a strong feeding role. Work on that positive attitude Sara as it has an effect on the rest of the team.

**ELLIE LEIPER** – Ellie was keen to develop her skills as a centre court player this season. It was hard to give her this opportunity as she plays such a strong defensive circle game highlighted by her strong rebounding. Out of the circle Ellie played a consistently great wing defence, the two handed intercept being a feature of her game and gave great attack support driving the ball down the court.

**SARAH MURPHY** – Sarah has played well in centre court this season. She has great down court vision and delivers some beautiful long passes into the shooting circle. Her defence has been consistently strong particularly defending the space resulting in many intercepts. Sarah remains calm under pressure and is a steady influence on the team.

**SOPHIE TREVILLIAN** – Sophie has had a great season playing centre court not to mention her valuable contribution as a back-up shooter. Sophie displayed accurate shooting skills and rebounded strongly in the circle her height of benefit here. She offered great drive down the court in attack and great defensive skills over the ball with hands up defending every pass, never giving up. From this Sophie has the uncanny ability to intercept the opposition's pass at close range, seemingly out of their hands.

**ASHLEE TRONERUD** – Ash has played all over the court this season and has performed well whether attacking or defending. She also had a great game as centre against Dolphins and displayed a strong presence on court during this game. Ash picked up the role as wing attack and has displayed great attacking skills and strength. She has defended strongly down the court and has taken numerous intercepts.

**MADDIE WHITE** – Due to representative commitments Maddie has only been able to play a limited number of games with the team. When she has played her defensive skills have benefited the team greatly, rebounding strongly, taking numerous intercepts and having a great stretch over the shot for goal. She has worked well with whoever has partnered her in defence in the circle.

## Maddies Seniors A Grade

**Coaches:** Self-Coached  
**Manager:** Kim Crimmins  
**Umpire:** Anne McCauley

### Premiers 2005

The 2005 season was one of dramas and stories. Although the members of the team found it to be an enjoyable season we gave the umpires and the Maddies committee lots of grief. This season saw the come back of some great Maddies players and a new comer thrown into the mix.

We would like to thank Kim and Helen for supporting us throughout the season. Also thank you to the umpires that put up with our comments during the games, we do really appreciate it.

**SALLY-ANN MCKAY** – Sally played an exceptional season this year as one of our primary goal defenders. It is always pleasing to see Sal display discipline in the circle by illustrating her natural abilities as a defender, proving to be a 'tall' and skilful threat to the opposition each week.

Sal would be one of the most skilful and effective defenders in this division, as most opposition shooters would agree too. She has a strong and very effective defensive hold and in most occasions, this results in a turn over in our favour.

Sal not only displayed her natural skills to the game each week, her calm, fun nature and support to the team was equally as valuable, often providing a laugh or two to the team.

You played an excellent season this year Sal and should be pleased with your efforts and dedication on court each week.

**JENNY HITCHEN** – Jenny was the new comer to our team this season and she fitted in well. She became one of our versatile players that played in the centre court and shooting end. Jen added more height and accurate shooting and strong rebounds into the attacking end and when she played in the wing dinger position we could always count on her to get many turn overs on the opposition centre from her tight defence and long arms. All round Jenny has been a valuable asset to the team. Great season hope you come back next year!!

**JENNIE BATEMAN** – Jennie had yet again another fantastic year. Jennie's strong leads and excellent feeds into the circle made our shooters job that little bit easier. She is a very consistent player and always gives 100% every game. As always, Jennie was always supportive and encouraged all of the girls on and off the court. Great season Jen.

**BRIDGET HARRIS** – Bridget was a valuable part of our attacking end this season. She made appearances in both the shooting circle and the centre court and always provided a solid performance to lift the team. Bridget is a player that can slot into any combination, providing some amazing shots, accurate feeds and solid rebounds. Bridget is able to react quickly to where the centre court put the ball (thanks to her killer long arms) and creates great space within the circle. Congratulations on a great season Bridge, it's been great to play with you again.

**NICOLE KIDMAN** – Nic was one of the team members who has returned to Maddies (and netball) after a long absence. Her performance during the season showed that the break did not harm her great skills on court. She has a good ability to read the play and pull off fantastic intercepts all over the court. She returned to the game a much cooler and calmer player than when she left the game (except for a small hiccup). Great season, Nicole you made valuable contribution to the team!

**LYNDSEY SIMCOE** – Lindsey is the smiling assassin of defence. With a smile and a giggle, she would intercept the ball from the opposition in the most graceful movement consistently. By far the best three feet stretch and hands the Tuggeranong Valley has seen. Thank you Lyndsey for being such a driving defensive force in our team.

**JEN MOORE** – Jen returned to Maddies this year after a season off from club netball. Jen can play anywhere from centre court to defence competently and always makes an impact on the game wherever she is playing. She is an amazing defensive player, and is always in the air for an intercept. Jen is the sort of player that makes netball interesting to watch and has had an excellent season this year playing mainly in the centre court positions, providing the team with great skills and experience. Jen is an all round awesome player.

**GILLIAN DUFFY** – We were a little bit nervous for Gill's safety when she first stepped onto the court this season, with an unfortunate pattern of acquiring a season ending injury in the first game for the last 3 seasons, who wouldn't be? Gill got through this season without any 'netball' injuries (we won't mention the car crash that put her out for a couple of games). Gill had a really good season this year, although not playing a lot in her preferred positions, she showed off her skills in the centre court and her long arms equated to many intercepts in the WD position. Although being the eldest member of the club, we hope Gill still has a few more injury free seasons in her!!

**RHONDA APSEY** – Rhonda is an exceptional player through out the centre court, dominating especially in attacking, yet can always prove herself to fill the position of WD

when no-one else is executing that position. These performance abilities Rhonda performs and usually achieves are sometimes shaken on those occasions where she has turned up to netball, with few hours sleep and a self-inflicted upset stomach.

**KIRSTEN DUFFY** – Kirsten has been a member of the Maddies club for 15yrs, and is renowned for her shooting skills in the circle. She is one never to miss a game, and always had the team organised before we take the court. Kirsten's contribution to the team and Maddies throughout the season, without a doubt, is very highly regarded by not only team mates but other Maddies members and without her there would be a huge gap.
